## Office of the Mayor

**To:** City Council  
**From:** John R. Pick   
**Subject:** Budget Amendment – Urban Salisbury  
**Date:** April 23, 2009

The FY 09 Budget included an appropriation of \$35,000 to help support the work of Urban Salisbury in promoting the redevelopment and revitalization of the downtown area. This appropriation is paid to Urban Salisbury in four quarterly payments. Urban Salisbury has notified the City that they will not be able to continue in operation through the end of the current fiscal year without additional financial support. Mayor Ireton believes that it is in the best interest of the City that Urban Salisbury be able to continue its work. Therefore, he requests that the City Council consider the attached budget ordinance amendment which would appropriate \$11,250 from the General Fund contingency to Urban Salisbury. This additional support, along with the acceleration of the final quarterly payment that would be due to Urban Salisbury under normal circumstances, would provide them the additional support they would need to finish the fiscal year. There are sufficient funds available in the General Fund Contingency account to accommodate this request.

The Mayor also requests that the Council give consideration to the full funding request for FY 10 that was made by Urban Salisbury during budget deliberations.

If you have any questions, please let me know.
