SUBJECT: Traffic Control Budget Amendment

On November 16, 2011, a hit and run accident occurred at the intersection of South Division Street and Milford Street causing severe damage to the traffic signal control cabinet. The Local Government Insurance Trust agrees to provide the City with a check up to \$5,483.75 for the replacement of the cabinet.

We are requesting a budget amendment to the Traffic Control account to cover the insurance reimbursement of \$5,483.75. We will then purchase a new traffic signal control cabinet.

Unless you or the Mayor has further questions, please forward this memo to the City Council.
