## Office of the Mayor

**To:** City Council  
**From:** Mayor Ireton  
**Subject:** Budget Amendment  
**Date:** June 24, 2014

Attached are two budget amendments needed for city legal services through the end of FY 2014. As you will see, the FY 2014 budget that was approved for City Attorney/Sewer was \$51,345.03. Of that amount, \$46,088.29 remains. The attached amendments are to accomplish the following: First, bring city Attorney/Sewer to \$0 and return this money into Surplus. Second, bring forward from Surplus \$46,000 and place it into Other Attorney/General Fund. These two actions will fund the legal department for the remainder of FY 2014. It is my belief that the city adequately funded the legal department. Due to general accounting standards, that do not allow for a transfer from a utility to general fund, it was necessary to produce two amendments. Again, the legal department was adequately funded; it took these amendments to put the money that allocated in the appropriate line.
