Re: Pinehurst Avenue – no parking

Per the discussion at the November 17, 2014 work session, the Traffic and Safety Advisory Committee has obtained public input regarding their recommendation to eliminate parking on Pinehurst Avenue between Camden Avenue and Lorecrop Avenue.

On behalf of the Committee, Public Works sent letters to property owners and residents along Pinehurst Avenue, North Clairmont, Powell Avenue, Camden Avenue, Hanover Street and Lorecrop Drive. The letters invited the public to attend the December 10th meeting of the Committee or submit comments via email or phone call. Four (4) residents submitted comments before the meeting, and five (5) residents attended the meeting to voice their opinions. The meeting minutes of the December 10th Traffic and Safety Committee meeting are attached.

At their meeting on February 11, 2015, the Committee discussed the recommendation to determine if the recommendation is consistent with parking in the surrounding area. Public Works provided information on the parking restrictions on adjacent streets. As a result of the discussion, the Committee revised their recommendation as follows:

1. Eliminate parking on Pinehurst Avenue between Smith Street and Lorecrop Drive.
2. Establish No Parking on Pinehurst Avenue between Camden Avenue and Smith Street on weekdays from 8:30 am to 7:30 pm except by permit.
3. Paint yellow curb for a safe turning radius at Camden Avenue and at the driveways along Pinehurst Avenue between Camden Avenue and Smith Street.

Attached for Council consideration is an Ordinance that reflects the Committee's revised recommendation. Unless you or the Mayor have further questions, please forward a copy of this memo and the ordinance to the City Council.
