Re: Budget Amendment – Traffic Signal Repair

---

Salisbury Public Works requests a budget amendment to move funds to an operating account from miscellaneous revenue. Due to an accident, a traffic signal was damaged at the corner of East Main Street and North Division Street. The Traffic Division promptly repaired the traffic signal. The insurance company for the individual responsible for the accident is reimbursing the City for actual expenses in the amount of \$3,486.08. Public Works requests that the insurance proceeds be transferred to the Traffic Division account for Equipment Repair and Maintenance.

Unless you or the Mayor have further questions, please forward a copy of this memo and the ordinance to the City Council.
