Dear Sirs,

This letter will serve to express my interest in continuing to serve on the Salisbury Marina Committee. The marina can attract additional visitors to the city and contribute to the financial health of the area. The committee serves as a sounding board for the city providing advice on issues of services, appearance and general economic impact.

I would like to continue to serve by helping to contribute to sound fiscal evaluations and boater inputs resulting in an improved marina.

Sincerely,

Maurice Kirwan
