Subject: Resolution Item (Mobile Data Terminals)

A Salisbury Fire Department (SFD) team of evaluators has completed an exhaustive 20 month field testing program of Mobile Data Terminals that provide us with enhanced real-time emergency response capability.

After review of the field testing performance, the SFD team has made their product recommendation that provides the best capability for the needs of the organization.

SFD would like to move forward with the project and requests that the enclosed resolution be considered and approved for acceptance. A total of 21 Mobile Data Terminals with mounting hardware and 1 Administrative Base Station will be purchased through the volunteer funding mechanism.

Thank you in advance for your time and attention regarding this request.
