The Community Development Department has completed the 2011 Community Development Block Grant (CDBG) Action Plan. While the total amount of CDBG funding that will be received for the 2011 program year is still not known, per advice from HUD the CD Dept. is assuming a 10% reduction in the annual allotment from what was received for PY 2010. For CDBG PY 2010 the City received \$328,209, so a 10% reduction would give us a total award amount of \$295,388. As authorized by the Mayor, the projects to be funded in the 2011 CDBG Action Plan (including program administration costs) are as follows:

Administration (20%)	\$59,077
Demolition of "Linens of the Week" Building	\$194,409
Nuisance Officer	<u>\$41,902</u>
Total	<u>\$295,388</u>

The draft of the 2011 CDBG Action Plan was made available for public review beginning on Friday, March 4, 2011. The Action Plan was posted on the City website under the Community Development Department section, and a hard copy of the plan was available for review at the Wicomico County Library. The 30-day public comment period will end on April 4, 2011. To date no comments have been received.

The first public hearing for the 2011 CDBG program was conducted on March 29, 2011. This hearing presented citizens with an overview of the projects proposed in the 2011 Action Plan, and allowed the public the opportunity to comment on those projects and/or provide their views on the community development needs of the City of Salisbury. The second public hearing is scheduled for April 26, 2011. This hearing will provide community members with a status report on all of the previously funded CDBG projects that are still open. Following the status report residents will be given another opportunity to comment on the community development needs of the City.

Attached is the Resolution to approve the 2011 CDBG Action Plan for the City of Salisbury, and to authorize the Mayor to submit said plan to HUD for their review and approval. Please submit this to the City Council for the April 11, 2011 meeting agenda. Thank you for your assistance.
