SUBJECT: Resolution – Commercial Loading Zone Time Limit

In June, I met with Ms. Barbara Cornish, the owner of Sandi's One Stop, at 701 W. Main Street. Ms. Cornish requested that the time limit for the commercial loading zone in front of her business be extended from 10 minutes to 20 minutes. She stated that 10 minutes just wasn't enough time to unload deliveries.

I expressed my concern of this location's history of illegal drug activity and vehicles parked for long periods of time allow individuals to engage in criminal activity by using the vehicles as a visual barrier. Ms. Cornish agreed to remain vigilant and to take proactive steps to prevent this activity. I advised her that I would recommend the extended time period with the understanding that should criminal activity begin again in the area, the loading zone time would be revised.

Unless you, or the Mayor, have further questions, please forward this Resolution to the City Council.

Barbara Duncan
Chief of Police
