SUBJECT: Resolution - Donation to SPD Physical Fitness Room

Attached, please find a Resolution allowing the Salisbury Police Department to accept a total of \$850.00 in donations from the attached list of individuals, organizations, and businesses. The money will be used to purchase one piece of physical fitness equipment for the Department's fitness room. We are researching companies who may have this item in stock.

In 2009, with donations, we were approved to purchase several pieces of equipment for our fitness room with donations offered from several businesses and individuals. Three companies have again offered a donation for the purchase of one physical fitness item. The physical well being of our officers is extremely important and this piece of equipment will benefit their strength building workouts.

Unless you, or the Mayor, have further questions, please forward this Resolution to the City Council.

Major David T. Meienschein
Administrative Commander
