Dear Mayor Ireton:

My name is Darren (DJ) Lumpkin and I would be honored to have the chance to serve on the Salisbury City Park Committee, and the chance to give my recommendations to not only the committee but to you with the goal of bettering the City Parks and bringing attention to all the parks have to offer. I grew up fishing and boating and having family BBQs in parks and camping every summer. I have traveled all over the United States and have lived in several of them. I met my wife while she was in school here and we both fell in love with the area and knew this was where we wanted to raise a family. I am an avid mountain biker, runner, disc golfer, golfer and struggling fisherman. I have always spent my time outdoors, yet it was not until the last year that I took a big interest into the local parks and what they have to offer, do to my son. I have an 18 month old and I am currently a stay at home dad, while going to school at night to become a teacher. I want my son to love the outdoors and nature so we spend a lot of time in the park and at the zoo, or at the play grounds the trails or digging for pinecones. We can be found out at one of the counties outdoor areas at least twice a week and every weekend. This is why I would like to serve on the committee, to make sure that one day I can take my grandson to the park and share all that I love and grew up with the next generation while making it better for this one.

Thank you sir for your consideration:

Darren Lumpkin
