Mayor Ireton,

I have read the October 16th press release regarding your Traffic and Safety Advisory Committee and would like to serve as a city resident. I have a vested interest in the City as a local resident and homeowner. I am an active member of my Home Owner Association and regularly meet with the City of Salisbury regarding safety concerns in my neighborhood. It is my understanding that you wish to have members on the Committee to represent different sections of Salisbury. I live on the eastern side of Salisbury and can offer insight about traffic and safety concerns in my area. I also work for Salisbury University and can provide advice to you and the City Council on the University's growing impact on the City.

I look forward to representing my neighborhood on this Committee and working toward a safer community.

Best regards,
