Dear John R. Pick,

As a proud member of the Salisbury community, I have grown a deep interest in becoming more involved with the ever growing development of the City of Salisbury. I am particularly interested in obtaining the position on the Central City District Commission. I believe that I have the qualifications to assist in advising the Mayor and Council on various issues in the Central Business District in matters pertaining to parking, bond financing, property acquisition, special tax district rates, and the general betterment of the area.

As an Eastern Shore graduate from University of Maryland Eastern Shore, I have obtained various skills in the areas of budgeting, management, marketing, and business planning. I have a bachelors in the school of Business in which I majored in Hotel & Restaurant Management and minored in Culinary Arts. With this degree, I have not only assisted in managing and budgeting with a well-known Salisbury landmark, The Market Street Inn, but also opened my own business, Mojo's Urban Eatery in downtown Salisbury. With both of these businesses, I have initiated, implemented, and helped in ways to generate the citizens of Salisbury's interest back into our own community. These businesses have made me further my development in learning not only how to manage and budget a business but also helped me to develop very important interpersonal skills with other community members and businesses in Salisbury. I believe that with these skills I would be an asset to the Central City District Commission.

I appreciate you taking the time to review my credentials and experience. Again, I thank you for your consideration in this matter. If you have questions, please call me at (410)430-5114. I look forward to hearing from you soon.

Sincerely,

JOEL V. OLIVE
