**Subject: Resolution Accepting Community Parks & Playgrounds
(CP&P) Funds for the Salisbury Skatepark, Phase 1**

Date: May 21, 2013

Attached is a copy of the letter from the Maryland Department of Natural Resources (DNR) informing us that our Community Parks and Playgrounds (CP&P) grant application in the amount of \$262,000 for Phase 1 of the Salisbury Skatepark has been officially approved by the State Board of Public Works. Finally, after six long years of hard work, determination and perseverance, we are ready to move forward with this long awaited project.

The Salisbury Skatepark project will provide a facility that will be hugely beneficial to the youth of our community. This project will serve to expand the commitment that our community has made to our local youth, by providing yet another amenity to serve their health, social and recreational needs.

The Salisbury Skatepark will be a poured-in-place concrete structure, and it will be put out to bid as a design-build contract, so that the designer and the construction contractor are working together every step of the way. The design process will include planning sessions with the local skateboarders to ensure that the final product is one which makes the end users happy. Phase 1 of the skatepark project will include the design of the project, site preparation work, construction of the first 6,000 square feet of the poured-in-place concrete, purchase and installation of some of the fencing, the Skatepark Rules / Funding Acknowledgement sign, and a couple of trash cans.

Attached is a Resolution accepting these CP&P grant funds which have been awarded to the City of Salisbury. Please forward this Resolution to the City Council so that it may be placed on their agenda for the meeting on June 10, 2013.

Dear Mayor Ireton:

It gives me great pleasure to inform you that the Board of Public Works has approved your request for Community Parks and Playgrounds funds regarding Salisbury Skate Park in Wicomico County. A copy of the agenda item is enclosed for your reference.

You may proceed with this project at your earliest opportunity. When the project commences, please have your staff contact the Community Parks and Playgrounds representative with whom they have been working so that arrangements can be made to coordinate reimbursement.

Thank you for your interest in improving the quality of our parks and recreation for the citizens of Maryland. It is a pleasure to be able to provide these funds and to assist you with this important public outdoor recreation project. If I may be of further assistance on this or any other Community Parks and Playgrounds matter, please do not hesitate to contact me at (410) 260-8426.

Sincerely,

James W. Price
