.: To Whom it May Concern...

It has come to my attention that there is an opening on the Central City District Commission in the City of Salisbury, Maryland. It is my understanding that this commission advises the Mayor and the City Council on Central Business District matters pertaining to parking, bond financing, property acquisition, special tax district rates, and the general betterment of the area.

As a local pastor, small business owner, and resident of the Old Town District of Downtown Salisbury, I believe that this is a commission in which I could be of some assistance. I would like to humbly and voluntarily submit my formal request for appointment to this commission in 2013.

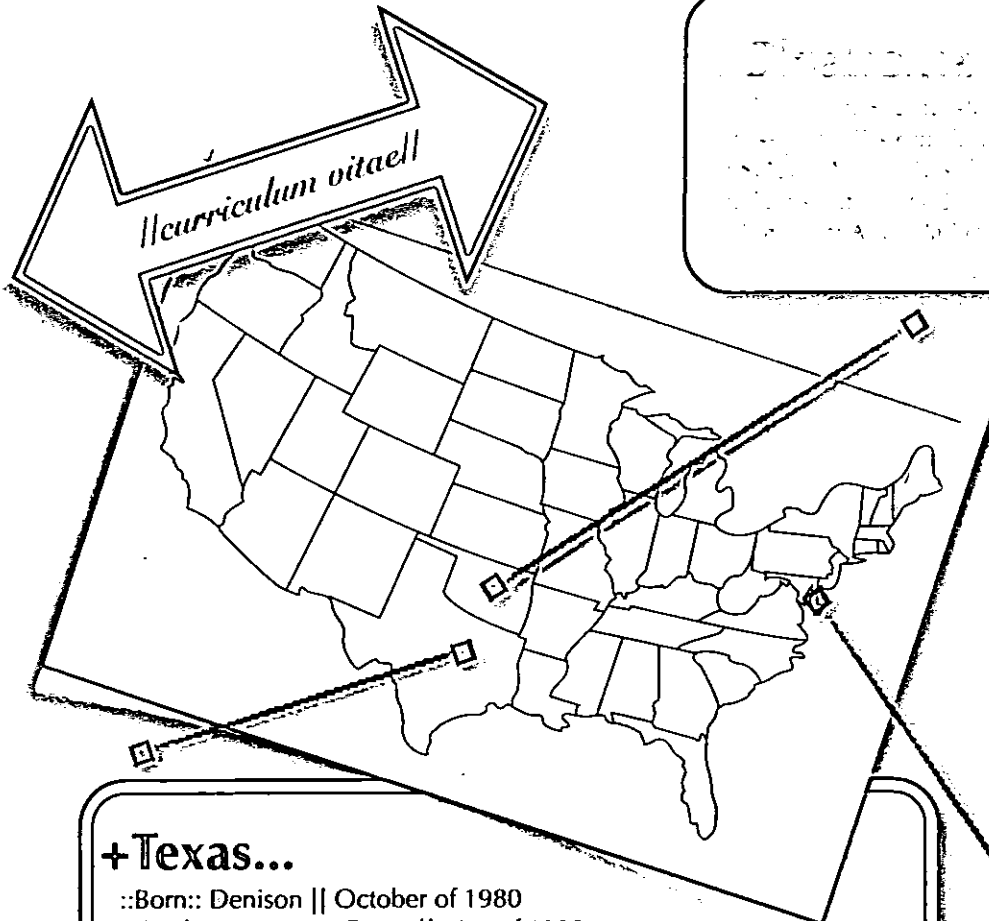

Sincerely,

A handwritten signature in black ink, appearing to read "R. Weaver", with a long, sweeping underline.
