RECITALS

WHEREAS, City of Salisbury, a municipal corporation of the State of Maryland (the "City"), is authorized and empowered by Sections 31 to 37, inclusive, of Article 23A of the Annotated Code of Maryland, as replaced, supplemented or amended (the "Enabling Act"), and Sections SC7-45 and SC7-46 of the Charter of the City of Salisbury, as published in Municipal Charters of Maryland, as replaced, supplemented or amended (the "Charter"), to borrow money for any proper public purpose and to evidence such borrowing by the issuance and sale of its general obligation bonds; and

WHEREAS, pursuant to the Enabling Act, Sections SC7-45 and SC7-46 of the Charter, Ordinance No. 2044, passed by the Council of the City (the "Council") on December 17, 2007, approved by the Mayor of the City (the "Mayor") on December 19, 2007 and effective on December 19, 2007 ("Ordinance No. 2044") the City authorized general obligation bonds to be issued from time to time in one or more series in an aggregate principal amount not to exceed Four Million One Hundred Twenty-nine Thousand Dollars (\$4,129,000) (the "Authorized Bonds") in order to finance, reimburse or refinance the "costs" (as defined in Section 3(b) of Ordinance No. 2044) of the projects identified in Section 3(b) of Ordinance No. 2044 (herein referred to as the "Authorized Projects" and referred to as the "Projects" in Ordinance No. 2044); and

WHEREAS, pursuant to Resolution No. 1620, adopted by the Council on January 14, 2008, approved by the Mayor on January 15, 2008 and effective on January 15, 2008 ("Resolution No. 1620"), the City determined to borrow money for the public purpose of financing or reimbursing

“costs” (as defined in Section 2(b) of Resolution No. 1620) of the Authorized Projects specified in Section 2(a) of Resolution No. 1620 (which included all of the Authorized Projects other than the one identified in Ordinance No. 2044 as “Salisbury Zoo – Animal Health Building Construction”) plus a portion of the authorized “Costs of Issuance”), and to evidence this borrowing by the issuance and sale of its Public Improvements Bond of 2008 in the principal amount of Three Million Six Hundred Five Thousand Dollars (\$3,605,000) (the “2008 Bond”); and

WHEREAS, pursuant to the Enabling Act, Sections SC7-45 and SC7-46 of the Charter, Ordinance No. 2044 and Resolution No. 1620, the City issued and delivered the 2008 Bond to SunTrust Equipment Finance & Leasing Corporation on January 22, 2008; and

WHEREAS, Section 2 of Resolution No. 1620 provides that proceeds of the 2008 Bond (which is referred to as the “Bond” in Resolution No. 1620) shall be appropriated and allocated to the specified Authorized Projects identified therein, subject to the provisions of such Section 2 (which projects are referred to as the “Projects” in Resolution No. 1620); and

WHEREAS, subsequent to the passage of Ordinance No. 2044 and Resolution No. 1620 and the issuance of the 2008 Bond, the City determined that instead of applying \$500,000.00 of the proceeds of the 2008 Bond (exclusive of investment earnings that may be applied for such purpose) to the project identified as “Elevated Water Tower/North – Engineering” in both Ordinance No. 2044 and Resolution No. 1620, the City would apply such 2008 Bond proceeds to engineering costs for water storage that may involve a water tank, a water tower or some other type of improvement for water storage and that may be located in a different geographic area of the City other than the northern area and, therefore, determined to modify the description of such project and to remove the geographic reference to such project as contained in Ordinance No. 2044 and Resolution No. 1620 (the “2009 Modified Project”); and

WHEREAS, pursuant to Ordinance No. 2069, passed by the Council on January 12, 2009, approved by the Mayor on January 13, 2009 and effective on January 13, 2009 (“Ordinance No. 2069”), and Resolution No. 1750, adopted by the Council on January 12, 2009, approved by the Mayor on January 13, 2009 and effective on January 13, 2009 (“Resolution No. 1750”), the City respectively amended and supplemented Ordinance No. 2044 and Resolution No. 1620 in order to provide for the application of \$500,000.00 of the proceeds of the 2008 Bond (exclusive of investment earnings that may be applied for such purpose) to costs of the 2009 Modified Project; and

WHEREAS, by issuance of the 2008 Bond, the City did not exhaust all of the bonding authority provided for in Ordinance No. 2044, but Resolution No. 1620 provided that the \$322,000.00 maximum principal amount of 2008 Bond proceeds authorized to be applied to the “Beaverdam Drive Bridge – Repair” project identified in Ordinance No. 2044 (exclusive of investment earnings that may be applied for such purpose) were allocated to the 2008 Bond; and

WHEREAS, while the City originally intended to repair Beaverdam Drive Bridge, in 2011 it subsequently determined that Beaverdam Drive Bridge would likely need to be replaced, and the

City determined to allow the use of proceeds of the 2008 Bond for costs of any combination of repair and/or replacement of the Beaverdam Drive Bridge and related activities (the "2011 Modified Project"); and

WHEREAS, pursuant to Ordinance No. 2139, passed by the Council on February 28, 2011, approved by the Mayor on March 1, 2011 and effective on March 1, 2011 ("Ordinance No. 2139"), and Resolution No. 2034, adopted by the Council on February 28, 2011, approved by the Mayor on March 1, 2011 and effective on March 1, 2011 ("Resolution No. 2034"), the City respectively amended Ordinance No. 2044, as amended and supplemented by Ordinance No. 2069, and Resolution No. 1620, as amended and supplemented by Resolution No. 1750, in order to provide for the application of proceeds of the 2008 Bond to the 2011 Modified Project; and

WHEREAS, Ordinance No. 2044, as amended and supplemented by Ordinance No. 2069 and Ordinance No. 2139, is herein referred to as the "Existing Ordinance", and Resolution No. 1620, as amended and supplemented by Resolution No. 1750 and Resolution No. 2034, is herein referred to as the "Existing Resolution"; and

WHEREAS, the term "costs" has identical meanings as used in the Existing Ordinance and the Existing Resolution; and

WHEREAS, Ordinance No. 2044 provides that not to exceed \$500,000.00 of proceeds of the bonds authorized thereby may be applied to costs of a project identified therein as "Salisbury Zoo – Animal Health Building Construction", and as noted above, by issuance of the 2008 Bond, the City did not exhaust all of the bonding authority provided for in Ordinance No. 2044; and

WHEREAS, pursuant to the Enabling Act, Sections SC7-45 and SC7-46 of the Charter, Ordinance No. 2044, Ordinance No. 2071, passed by the Council on January 26, 2009, approved by the Mayor on January 27, 2009 and effective on January 27, 2009 ("Ordinance No. 2071") and Resolution No. 1850, adopted by the Council on October 26, 2009, approved by the Mayor on October 26, 2009, and effective on October 26, 2009 ("Resolution No. 1850"), the City on November 6, 2009 issued and delivered its \$2,600,000 City of Salisbury Public Improvements Bond of 2009 (the "2009 Bond"), up to \$500,000.00 of the proceeds of which (exclusive of investment earnings that may be applied for such purpose) were allocated to the project identified in Ordinance No. 2044 as "Salisbury Zoo – Animal Health Building Construction"; and

WHEREAS, pursuant to Ordinance No. 2093, passed by the Council on December 21, 2009, approved by the Mayor on December 24, 2009 and effective on December 24, 2009, and Resolution No. 1874, adopted by the Council on December 21, 2009, approved by the Mayor on December 24, 2009 and effective on December 24, 2009, the City amended and supplemented Ordinance No. 2071 and Resolution No. 1850, respectively, to expand the scope of one of the projects to which proceeds of the 2009 Bond were allocated, but did not change the allocation of not to exceed \$500,000.00 of the proceeds of the 2009 Bond (exclusive of investment earnings that may be applied for such purpose) to the project identified in Ordinance No. 2044 and Resolution No. 1850 as "Salisbury Zoo – Animal Health Building Construction"; and

WHEREAS, the City has determined that costs of the project described in Ordinance No. 2044 as "Salisbury Zoo – Animal Health Building Construction" are more than authorized to be financed by such Ordinance; and

WHEREAS, by issuance of the 2009 Bond, the City exhausted the bonding authority provided in the Existing Ordinance for the project described therein as "Salisbury Zoo – Animal Health Building Construction"; and

WHEREAS, the Existing Ordinance and the Existing Resolution provide that up to \$1,300,000.00 of the proceeds of the 2008 Bond may be applied to costs of the project identified therein as "Waverly Drive Storm Sewer Project" (exclusive of investment earnings that may be applied for such purpose), and the City has determined that other sources of funding are available for such project and would like to redirect up to \$539,000.00 of the proceeds of the 2008 Bond allocated to the "Waverly Drive Storm Sewer Project" (exclusive of investment earnings that may be applied for such purpose) to the project identified in the Existing Ordinance as "Salisbury Zoo – Animal Health Building Construction", *in addition to* proceeds of the 2009 Bond authorized to be applied to such project as described in these Recitals; and

WHEREAS, the Existing Ordinance and the Existing Resolution provide that up to \$100,000.00 of proceeds of the 2008 Bond may be applied to costs of the project identified therein as "Riverwalk – Engineering for Repairs Along Wicomico River East Prong", and the City would like to spend proceeds of the 2008 Bond for construction costs of such project; and

WHEREAS, the redirection of up to \$539,000.00 of proceeds of the 2008 Bond to the "Salisbury Zoo – Animal Health Building Construction" project (exclusive of investment earnings that may be applied for such purpose) as described in the second preceding WHEREAS clause, and the expansion of the project described in the preceding WHEREAS clause to include construction costs, are collectively referred to herein as the "2013 Modified Project"; and

WHEREAS, accordingly, the City desires to revise the description of the projects as set forth in the Existing Resolution in order to allow proceeds of the 2008 Bond to be applied to costs of the 2013 Modified Project.
