SUBJECT: Resolution – Addendum to “Safe Streets Coalition” – “MSSP”

Attached, please find a Resolution to accept \$10,000.00 in state grant funds, awarded through the Governor’s Office of Crime Control and Prevention as an addendum to our Safe Streets award which was accepted by council on July 15, 2013, Resolution 2296, in the amount of \$280,227.00. The additional funding has been specifically earmarked for projects that through environmental changes within a particular residential or business area help reduce crime and the fear of crime. These changes include increased lighting, landscaping, fencing, etc. The program is referred to by the Governor’s Office of Crime Control and Prevention as Crime Prevention through Environmental Design or CPTED.

The funds if accepted are to be added to our current Safe Streets Grant and are to be utilized for police & Safe Streets Coordinator overtime, a light meter, noise meter, a pole security camera, fencing, and shrubbery. Based on crime data analysis indicating high incidents of criminal behavior the Governor’s Office of Crime Control & Prevention has approved a geographical area within the Camden area as the initial CPTED sight.

Unless you, or the Mayor, have further questions, please forward this Resolution to the City Council.
