Attached for your review and consideration is the Capital Improvement Plan (CIP) for the five-year period beginning with FY 15 and ending in FY 19. The CIP is a multi-year planning document used to categorize proposed capital projects and/or purchases. The plan arranges all recommended capital projects and equipment by department, details the request, offers a funding strategy and creates a timetable for construction or acquisition thereof.

The CIP is used solely as a planning document and is intended only to identify the short-term capital and equipment needs of the City. Adopting the CIP by resolution does not impose any further action by the City of Salisbury.

Please let me know if you have any questions or require additional information.
