Subject: Mayor Jim Ireton,

Mayor Jim Ireton,

A very good day to you. My Name is Paul Youngk and I would very much like to be Appointed to the Salisbury Marina Commission.

My wife Jane and I have been slip holders at the Marina off and on since it was New. Jane has been a long time Member of the Salisbury Marina Commission.

I see the Marina and surrounding Properties as Real Jewels to the City....there have been Great Improvements in the Appearance of the Waterfront.

Continued Improvements to the Marina Grounds and Docks are things that need to be be done.....I hope to Motivate, " To build a fire under the Commission Members to help Ramrod Projects" if selected to serve.

I currently am an International Airline Pilot, formerly a Charter Boat Captain, and have owned larger boats my whole life, Sailing up the Wicomico River over 30 years ago to Fly the FEDEX Plane to Washington Dulles Nightly. My first real Flying Job.

Having boats with over 7 ft draft, I am very interested in the continued dredging of the River in order for the Near 1 million Tons of Commerce that is Barged up the Wicomico Annually.

I think that our Marina should be advertised as a Great Place to Berth Boats, Fresh Water not requiring expensive bottom painting as there is very little growth underwater here.

The College is planning to store and operate Rowing Shells out of the Marina, and have considered myself operating a Sailing School and Bareboat Chartering business out of the Marina, starting with a few Sunfish Type sailboats up to the 43 and 45 foot sailboats we own.

These things could put Salisbury on the Map for Yachting, a Mini version of Philadelphia, Annapolis, Washington, Boston and Norfolk.

Thanks and Please consider appointing Me to the Commission,
