Subject: Resolution of Support for the FY 2016 Community Parks & Playgrounds (CP&P) Funding Application - Salisbury Skatepark, Phase 2

Date: July 25, 2014

As you are aware, we will be submitting a Community Parks & Playgrounds (CP&P) funding application to the Maryland Department of Natural Resources (DNR) for the FY 2016 funding round. This application is for \$383,000 in CP&P funding for Phase 2 of the Salisbury Skatepark project.

The Salisbury Skatepark project has been broken into two phases in order to make it more affordable. Phase 1 has been funded through CP&P for approximately 6,000 square feet, and Phase 2 will be another 7,400 square feet. The master plan for the layout of both phases of the skatepark has been designed through the Phase 1 contract. Phase 2 of the Skatepark will include the design and construction of an additional 7,400 square feet of poured-in-place concrete skatepark, the remaining fencing, entrance and exit security gates, the creation of additional on-street parallel parking spots, benches, trash cans, and a bike rack. The signage for the project was covered in the Phase 1 grant.

Although DNR does not typically request a Resolution of Support when a CP&P funding application is submitted, I feel strongly that it will help us a great deal during the application review phase if we include one in our package. I don't want the review committee to have any concerns based upon what happened with the Phase 1 grant award.

Attached is a copy of the Community Parks & Playgrounds Project Agreement section of the FY 2016 application, with the updated project description and cost estimates. I have also included copies of the design drawings that have been developed by Pillar Design Studios as part of the Phase 1 contract – the Salisbury Skatepark Master Plan Layout, the Salisbury Skatepark Phase 1 Construction Plan, and a number of 3-D drawings showing overviews from different angles and various close-up views of sections of the skatepark.

Also attached is a Resolution of Support for the City's CP&P funding application. Please forward this Resolution to the City Council so that it may be placed on their agenda for the council meeting on August 11, 2014.
