Hello Julia,

I spoke with Kacey Martin about joining the city's Green Team. I am the Director of the Honors Program at SU (soon to be Dean of the new Honors College). My background is as a historian of Native American and Environmental history. I would love to participate in whatever way you need. Although relatively new to Salisbury (3years), I live in the city (on College Ave) and want to become more actively engaged. I've attached a short resume with this email.

Thanks,

Jim
