Dear Mayor Day,

The Salisbury Historic District Commission plays a vital part in preserving our fair city's image. As a lifelong resident of Salisbury, I'd like to express my interest in serving as a Commissioner, and furthering HDC's mission of safeguarding the heritage of Salisbury and fostering civic beauty.

The Commission, from my understanding, identifies structures of historical note within our designated Historic Districts, and hears applications regarding any changes or modifications to these structures. As such, I feel my experiences with organizations and fields that emphasize preservation, attention to detail, and research will be valuable in this role. My proximity to Downtown Salisbury will also make it easy to travel as needed.

Your consideration is earnestly appreciated. I look forward to serving our community, and utilizing my talents for the betterment of our city.

Best Regards,

Alexander Paciga
