The following comments were received from seven (7) members of the public supporting the appointment of Acting Chief Rick Hoppes as the Fire Chief:

- *Acting Chief Hoppes is honest, a good leader, and trusted by his colleagues*
- *Acting Chief Hoppes is dedicated to the City of Salisbury,*
- *Acting Chief Hoppes has not hesitated to step in and act as Fire Chief twice now*
- *there have been two expensive nationwide searches for a Fire Chief over the past three years, and no one will better serve the City of Salisbury than Acting Chief Hoppes*

The following comment was received from one member of the public:

- concern that everyone in Council Chambers expressing support for Acting Chief Hoppes was male and Caucasian

COUNCIL PRESIDENT COHEN'S COMMENTS

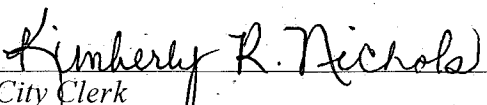

After the conclusion of the Public Comments, President Cohen passed the gavel to Vice President Campbell and explained why the City Council can't disclose the reasons for the decisions made on the Acting Fire Chief position. She stated if Acting Chief Hoppes would sign a waiver with the City allowing the discussion to be open then Council would move forward with the discussion. She explained that after a candidate is advanced by the Mayor for Advice and Consent sometimes the Council does not give Consent. Furthermore, she added that the Council acted in good faith and thought that the Mayor did also in bringing them another candidate to consider. She furthermore added that Council had abided by the law in accordance with the City Charter.

President Cohen then reminded the public of the March 4th work session at 4:30 p.m. and the Primary Elections to be held the next day, February 26, 2013 from 7:00 a.m. until 7:00 p.m. at the following polling places:

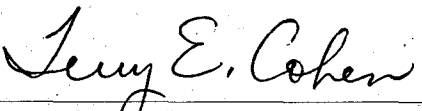

- District 1 – Fire Station 16 in Training Room (Cypress Street). This is a new polling location this year.
- District 2 – Wicomico Presbyterian Church (Broad & Chestnut Streets) and Harvest Baptist Church (corner of South Boulevard & Eastern Shore Drive)
