(Robbery Investigation- Arrest)

1 of 2

Detectives charge one suspect as a result of the bank robbery that occurred during the afternoon hours on Tuesday.

On December 5, 2017 at approximately 12:38 p.m., members of the Salisbury Police Department responded to the Hebron Savings Bank, located at 1008 W. Main Street as a result of hold up alarms coming from that location. Police personnel were able to determine that an unmasked suspect had entered the bank and demanded money.

Further investigation revealed that upon entering the bank, the suspect displayed a note while demanding money from the bank employees. The bank employees gave the suspect an undisclosed amount of U.S. currency and the suspect fled the bank.

Detectives had coordinated with members of the Wicomico County Sheriff's Office (WCSO) in regards to a robbery that had previously occurred that day at the PNC Bank, located at 1512 S. Salisbury Boulevard. Detectives had obtained suspect and vehicle descriptions from the previous incident. Upon hearing the call for service for the Hebron Savings Bank, detectives observed a vehicle matching the description from the PNC Bank robbery. The vehicle was being operated by a sole male occupant. Detectives notified Salisbury Police dispatch and were shortly thereafter joined by a deputy from the WCSO. The detectives and deputy attempted to approach and make contact with the suspect in the area of S. Salisbury Boulevard and Vine Street. The suspect then fled in the vehicle leading members of the Salisbury Police Department and Wicomico County Sheriff's Office on a pursuit through Salisbury that culminated at Ocean Gateway and the Rt. 50 bypass in the area of White Lowe Road. The suspect vehicle was stopped as a result of a collision with a Wicomico County Sheriff's Office vehicle. The suspect driver has been identified as 38 year old Bobby Lee Hornsby. The investigation revealed that Hornsby matched the suspect in the Hebron Savings Bank robbery.
