9. ASSIGNMENT

- A. Successful Vendor will not assign, transfer or subject the Contract, or its rights, title interests or obligations therein without City's prior written approval.
- B. Violation of the terms of this paragraph will constitute a breach of Contract. All rights, title, interest and obligations of the Successful Vendor will thereupon cease and terminate.

10. MODIFICATION OR WITHDRAWAL OF PROPOSAL

A. A Proposal Document may not be modified, withdrawn, or cancelled by the Vendor during the stipulated time period following the time and date designated for the receipt of Proposal Documents, and each Vendor so agrees in submitting Proposal Documents.

11. DEFAULT

A. The Contract may be cancelled or annulled by the City in whole or in part by written notice of default to the Successful Vendor upon non-performance, violation of Contract terms, delivery failure, bankruptcy or insolvency, any violation of state or local laws, or the making of an assignment for the benefit of creditors. An award may then be made to the next most highly rated Vendor, or when time is of the essence, similar commodities and/or service may be purchased on the open market. In either event, the defaulting Vendor (or his surety) will be liable to the City for cost to the City in excess of the defaulted Contract price.

12. COLLUSION/FINANCIAL BENEFIT

- A. The Vendor certifies that its Proposal is made without any previous understanding, agreement, or connection with any person, firm, or corporation making a Proposal Document for the same project; without prior knowledge of competitive prices; and is in all respects fair, without outside control, collusion, fraud, or otherwise illegal action.
- B. Upon signing the Proposal Document, Vendor certifies that no member of the governing body of the City, or members of his/her immediate family, including spouse, parents or children, or any other officer or employee of the City, or any member or employee of a Commission, Board, or Corporation controlled or appointed by the Mayor or Council, has received or has been promised, directly or indirectly, any financial benefit related to this Contract.

13. TAX EXEMPTION

A. The City is exempt from Federal Excise Taxes, Maryland Sales and Use Taxes, and Transportation Taxes. This exemption cannot be used by Vendors doing business with the City. Vendors are responsible for State Sales Tax of real property furnished and installed or constructed for the City.

14. EQUAL EMPLOYMENT OPPORTUNITY AND NON-DISCRIMINATION

- A. All Vendors are subject to, and must comply with, the provisions of all applicable state and federal anti-discrimination laws. The City encourages equal employment opportunity to businesses owned and controlled by minorities and women.
- B. The successful Vendor will not discriminate against any employee or applicant for employment or any member of the public because of race, color, creed, religion, national origin, sex, sexual preference, disability, marital status, age; or otherwise commit an unfair employment practice. Vendor further agrees that this nondiscriminatory agreement will be incorporated by the Vendor in all contracts entered into with suppliers of commodities and services, contractors and subcontractors, and all labor organizations furnishing skilled, unskilled, and craft union skilled labor, or who may perform any such labor or services in connection with this Contract.

15. INDEMNITY

- A. The Successful Vendor agrees to indemnify, defend, and hold harmless the City and its officers, employees, and agents from any and all liability, loss, cost, damage, and expense (including reasonable attorney's fees and court costs) resulting from, arising out of, or incurred by reason of any claims, actions, or suits based upon or alleging bodily injury, including death, or property damage rising out of or resulting from the Vendor's operations under the Contract, whether such operations be by the Vendor or by any subcontractor or by anyone directly or indirectly employed by either the Vendor or subcontractor.
- B. Vendor further agrees to furnish adequate protection against damage(s) as a result of the Vendor's and Vendor's subcontractors' negligence in providing the Services under this Contract.

16. STATUS OF VENDOR

- A. The Vendor will be responsible to the City for acts and omissions of their employees, subcontractors, and their agents and employees, and other persons performing portions of the Services under the Contract or other arrangement with the Vendor.
- B. It is understood that the relationship of Vendor to the City will be that of an "Independent Contractor." Nothing contained herein will be deemed or construed to (1) make the Vendor the agent, servant, or employee of the City, or (2) create any partnership, joint venture, or other association between the City and the Vendor.

17. APPLICABLE LAWS

A. Vendor will observe and comply with all applicable Federal, State, and local laws and regulations in the performance of the Contract. The Contract will be construed and interpreted in accordance with the laws of the State of Maryland and all questions of performance hereunder will be determined in accordance with such laws.

18. SUSPENSION OR TERMINATION FOR CONVENIENCE

- A. The City will have the right, at any time by written notice, for its convenience, to suspend the Services under the Contract for such time as may be determined by the City to be necessary or desirable up to ninety (90) days, unless a longer time is agreed upon in writing by both parties; and thereafter, to require resumption of the whole or any part of the Services without invalidating the provisions of the Contract.
- B. The City will have the right, at any time by written notice, for its convenience, to terminate the Services in whole or in part.
- C. Any notice issued pursuant to Sections 18.A and/or 18.B will state the extent and effective date of such notice. Except as otherwise directed, the Vendor will stop Services on the date of receipt of the Notice of Termination or other date specified in the notice; nor place further orders or subcontracts for materials, services, or facilities, except as necessary for the completion of such portion of the Services not terminated.
- D. The Vendor, within thirty (30) days of the Notice of Termination, will submit a final invoice reflecting Services actually furnished pursuant to the Contract to the satisfaction of the City and for which no previous invoice was submitted to the City.
- E. In the event of a termination, pursuant to Section 18.B, the City will pay the Vendor's expenses verified by final invoice as set forth in Section 18.D for the following:
 - 1. Completed and acceptable Services executed in accordance with the Contract prior to the effective date of termination, including fair and reasonable sums for overhead and profit for such Services;
 - 2. Expenses sustained prior to the effective date of termination in performing Services and furnishing labor, materials, or equipment as required by the Contract in connection with uncompleted Services, plus fair and reasonable sums for overhead and profit.
- F. The Vendor will not be paid on account of loss of anticipated profits or revenues or for Services not completed prior to the date of termination of the Contract.

19. CONTRACT CHANGES

- A. NO CLAIMS may be made by anyone that the scope of the project or that the Vendor's Services have been changed (requiring changes to the amount of compensation to the Vendor or other adjustments to the Contract) UNLESS such changes or adjustments have been made by an approved WRITTEN AMENDMENT (Change Order) to the Contract signed by the Assistant Director of Internal Services-Procurement Division (and the City Council, if required), prior to additional Services being initiated. Extra Services performed without prior, approved, written authority will be considered as unauthorized and at the expense of the Vendor. Payment will not be made by the City.
- B. NO ORAL conversations, agreements, discussions, or suggestions, which involve changes to the scope of the Contract, made by anyone including any City employee, will be honored or valid. No written agreements or changes to the scope of the Contract made by anyone other than the Assistant Director of Internal Services—Procurement Division (with City Council approval, if required) will be honored or valid.
- C. If any Change Order in the Services results in a reduction in the Services, the Vendor will neither have, nor assert any claim for, nor be entitled to any additional compensation for damages or for loss of anticipated profits on Services that are eliminated.

D. No inspection, or any failure to inspect, at any time or place, will relieve the Vendor from its obligation to perform all the Services strictly in accordance with the requirements of the specifications of the Contract. The City's Project Representatives (construction inspectors) are NOT authorized to revoke, alter, enlarge, relax, or release any requirement of these specifications, nor to approve or accept any portion of Services, nor to issue instruction contrary to the drawings and specifications of the Contract.

20. ADDENDUM

- A. No oral statements of any person will modify or otherwise affect or interpret the meaning of the Contract specifications, or the terms, conditions, or other portions of the Contract. All modifications and every request for any interpretation must be addressed to the Assistant Director of Internal Services, Procurement Division, Government Office Building, 125 N. Division Street, Room 104, Salisbury, Maryland 21801, and to be given consideration, must be received at the above address at least seven (7) days prior to the date fixed for the opening of Proposal Documents.
- B. Any and all interpretations, corrections, revisions, and amendments will be issued by the Department of Internal Services-Procurement Division to all holders of Proposal Documents in the form of written addenda. Vendors are cautioned that any oral statements made by any City employee that materially change any portion of the Proposal Documents will not be relied upon unless subsequently ratified by a formal written amendment to the Proposal Document.
- C. All addenda will be issued so as to be received at least five (5) days prior to the time set for receipt of Proposal Documents, and will become part of the Contract and will be acknowledged in the Proposal Document form. Failure of any Vendor to receive any such addenda will not relieve said Vendor from any obligation under the Proposal Document as submitted.
- D. Vendors are cautioned to refrain from including in their Proposal Document any substitutions which are not confirmed by written addenda. To find out whether the City intends to issue an amendment reflecting an oral statement made by any employee, contact Jennifer L. Miller, Assistant Director of Internal Services—Procurement Division, at 410-548-3190 during normal business hours.
- E. The Assistant Director of Internal Services—Procurement Division, reserves the right to postpone the Proposal Document opening for any major changes occurring in the 5-day interim which would otherwise necessitate an Addendum.

21. DEBARMENT

A. By submitting the proposal, the vendor warrants and certifies that he is eligible to submit a proposal because he is not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in a transaction by any Federal, State, or local department agency.

22. INSURANCE REQUIREMENTS

A. Unless otherwise required by Special Conditions for the Proposal Documents, if a Contract is awarded, the Successful Vendor will be required to purchase and maintain during the life of the Contract the following types and amounts of insurance (at minimum).

- 1. Commercial General Liability: \$1,000,000 (One million dollars) per occurrence \$3,000,000 (Three million dollars) aggregate for bodily injury and property damage.
- 2. Commercial Automobile: \$1,000,000 (one million dollars) combined single limit per accident for bodily injury and property damage. Including hired, non-ownership coverage and owned vehicle coverage if company owns a vehicle.
- 3. The Vendors will provide the City with certificates of insurance evidencing the coverage required above. Such certificates will provide that the City be given at least thirty (30) days prior written notice of cancellation of, intention to not renew, or material change in such coverage. Vendor must provide certificates of insurance before commencing Services in conjunction with the Contract.
 - a. ON ALL LIABILITY INSURANCE POLICIES, CITY, ITS EMPLOYEES, AND OFFICERS MUST BE NAMED AS ADDITIONAL INSURED, AND INSURANCE CERTIFICATES FURNISHED TO THE CITY WILL INDICATE SUCH COVERAGE.
 - b. THE PROVIDING OF ANY INSURANCE REQUIRED HEREIN DOES NOT RELIEVE THE VENDOR OF ANY OF THE RESPONSIBILITIES OR OBLIGATIONS ASSUMED BY THE VENDOR IN THE AWARDED CONTRACT, OR FOR WHICH THE VENDOR MAY BE LIABLE BY LAW OR OTHERWISE.
 - c. Failure to provide and continue in force such insurance as required above, will be deemed a material breach of the Contract, will cause the Vendor to be in DEFAULT, and will operate as an immediate termination thereof. The City reserves the right to require higher limits on any Contract. A 30-day notice in writing of cancellation or non-renewal will be furnished by certified mail to the Assistant Director of Internal Services—Procurement Division at the address listed in solicitation. The Vendor agrees to be responsible for, indemnify, defend, and hold harmless the City, its officers, agents, and employees from the payment of all sums of money by reason of any claim against them arising out of any and all occurrences resulting in bodily or mental injury or property damage that may happen in connection with and during the performance of the Contract including, but not limited to, claims under the Worker's Compensation Act.
