

Salisbury

UNDER CONSTRUCTION
Main Street Phase 2

Thank you for your patience and flexibility during the construction of East Main Street improvement project.

Project Description

The Main Street Phase 2 project includes replacement of existing water mains, sewer mains, storm drains and implementation of Best Management Practices for stormwater treatment. The streetscape improvements include sidewalks, landscaping, street lights and street amenities. This project also includes full depth pavement replacement from curb to curb of Main Street from Salisbury Boulevard (US 13) to North Division Street.

Project Information

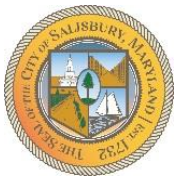

All project information can be found on the City website located at:

<http://www.ci.salisbury.md.us/business/main-street-construction-project> .

The website information is up to date and will be the best resource for project updates.

For project questions or concerns, a dedicated phone line has been created: **410-316-7819**
