

Wednesday December 6th, 2017, 5:30

Tony, Charles, Kacey, Ryan W., Alyssa (SU Student and future member), Jim, Matt

Next meeting Wednesday January 10th at 5:30

Bee City – approval for draft resolution, plant more pollinators, use less pesticides, have a ‘pollinator street’ as an example
(article by SU students is waiting for resolution approval to be published)

Jim – will miss a few months in the spring, Alyssa will serve as our SU, Honors and NFF contact

Recycling presentation – the council had a distracting budget presentation before the recycling presentation so they may not have heard the whole presentation. Also Leroy has stepped down from the Recycling Coordinator position, we will gather some info so when the replacement comes we have info for an apartment recycling program and can make recommendations. Also gather info for business recycling plan.

HOMEWORK

Tony – look into the city’s recycling goals

Alyssa – look into the state’s recycling goals

Matt – lookin into what other cities do with businesses and recycling (Bowling Green OH, and Asheville, NC)

Charles – ask Jenn for better language for SM Campaign

Kacey – make/start social media posts
