

## Green Team Meeting

Jan. 4<sup>th</sup> Room 202 GOB 5:30 PM

Attendance: Ryan Daniher, Tony, Ryan W., Jim, Kacey

### Introductions

Looks like all in attendance will also be at the city council meeting on Monday

### Update on the Rain Barrel/Water Garden

Environmental students want to run the workshop, Charles is looking into getting the barrels and the \$14 kit, and depending on timing we can have an invite/demonstration with parts list at 3<sup>rd</sup> Friday, SU providing kits and students making the water barrels, possibly hand out composting information

-Jim will take the lead, check with Charles on barrels

\*\*possibly get t-shirts made so we look like

Electronic Vehicle charging stations are being considered for the parking garage by the Public Works department with a VW grant

Update on Main street project, looks like phase one will be done around summer 2017

### Plastic Bag Ban

If we wanted to ban we have to do the research on why we should/shouldn't, baglaws.com has a pending ordinance in MD has been in senate for over a year.

Possibly market how to recycle the bags or do recycled reusable bags (with the SBY Logo and stats on how bad plastics bags are to be handed out at 3<sup>rd</sup> Friday)

Stickers for recycle bins on what is recyclable?

No Dumping – Drains to Bay – Decal installation/help - this would not happen until the weather warms up but we could plan a whole weekend event, public works is ordering more stickers and glue. Possibly partner with a river event and use to promote the marina. Could also have paddle boards/paddle boats for rent. Will not happen until March at least, Mike Moulds will be updating Tony on that and Ryan wants to help and possibly conclude with a party downtown.

Tony – gathering 10 factoids from the recycling center for social media posts to Ryan for wording then to Kacey then to Chris.

Ryan D. – get wording for plastic bag info

Kacey – look into recycled reusable bag pricing and t-shirt pricing

Ryan W. will be taking over as president until Kacey has come back from having a baby.  
Proposed by Tony, seconded by Ryan D.
