

Recommendations for the Mayor's Office

Crisis Intervention Teams
midnight to 8 am

- Create funding stream or find sources for funding

Lack of Crisis/detox
Beds

- Create crisis beds to support those who are ready for treatment, but for whom there is no available bed. Currently, only Hudson Center has detox beds.
- Apply for Community Block Grant through DHMH

Lack of
support/treatment
for adolescents

- Sober Dorms at SU (or perhaps a floor in an existing dorm)Points of contact: Valerie Randall Lee, Asst. VP of Student Affairs, Amy Hagan, Director of Housing)
 - Recovery High Schools
 - Advocate for more consistent Drug and Alcohol Education in secondary schools.

Lack of qualified,
certified
addictions
treatment
professional

- advocate for WorWic to add peer support training to the continuing ed program
- advocate for expansion of curriculum for addictions counselors at Wor Wic, SU, and UMES
- advocate for the expansion of trainings for CEU's for addictions professionals at Health Dept, Wor Wic, SU, UMES

All first responders
need to carry
Narcan

- City responders are equipped. County and regional responders need to also be equipped and trained.

Transitional/sober
housing for men

- Hudson Center 300 Union Street
- Oxford House looking to buy
- Closing of Oxford House creates critical shortage of beds.

Transitional/sober
housing for women

- Hudson Center has purchased
- Douglas Hamilton House for Recovery has opened.
- closing of Oxford House creates critical shortage of beds.

Youth Community
Centers

- City has purchased building for center on Camden Ave. More are planned and budgeted

Greater/better
coordination between
PRMC/Law
Enforcement /Peer
support

- All parties are aware of the need
- Increased funding needed to add COAT Supervisor
- **NOTE: supervisor position has been funded**

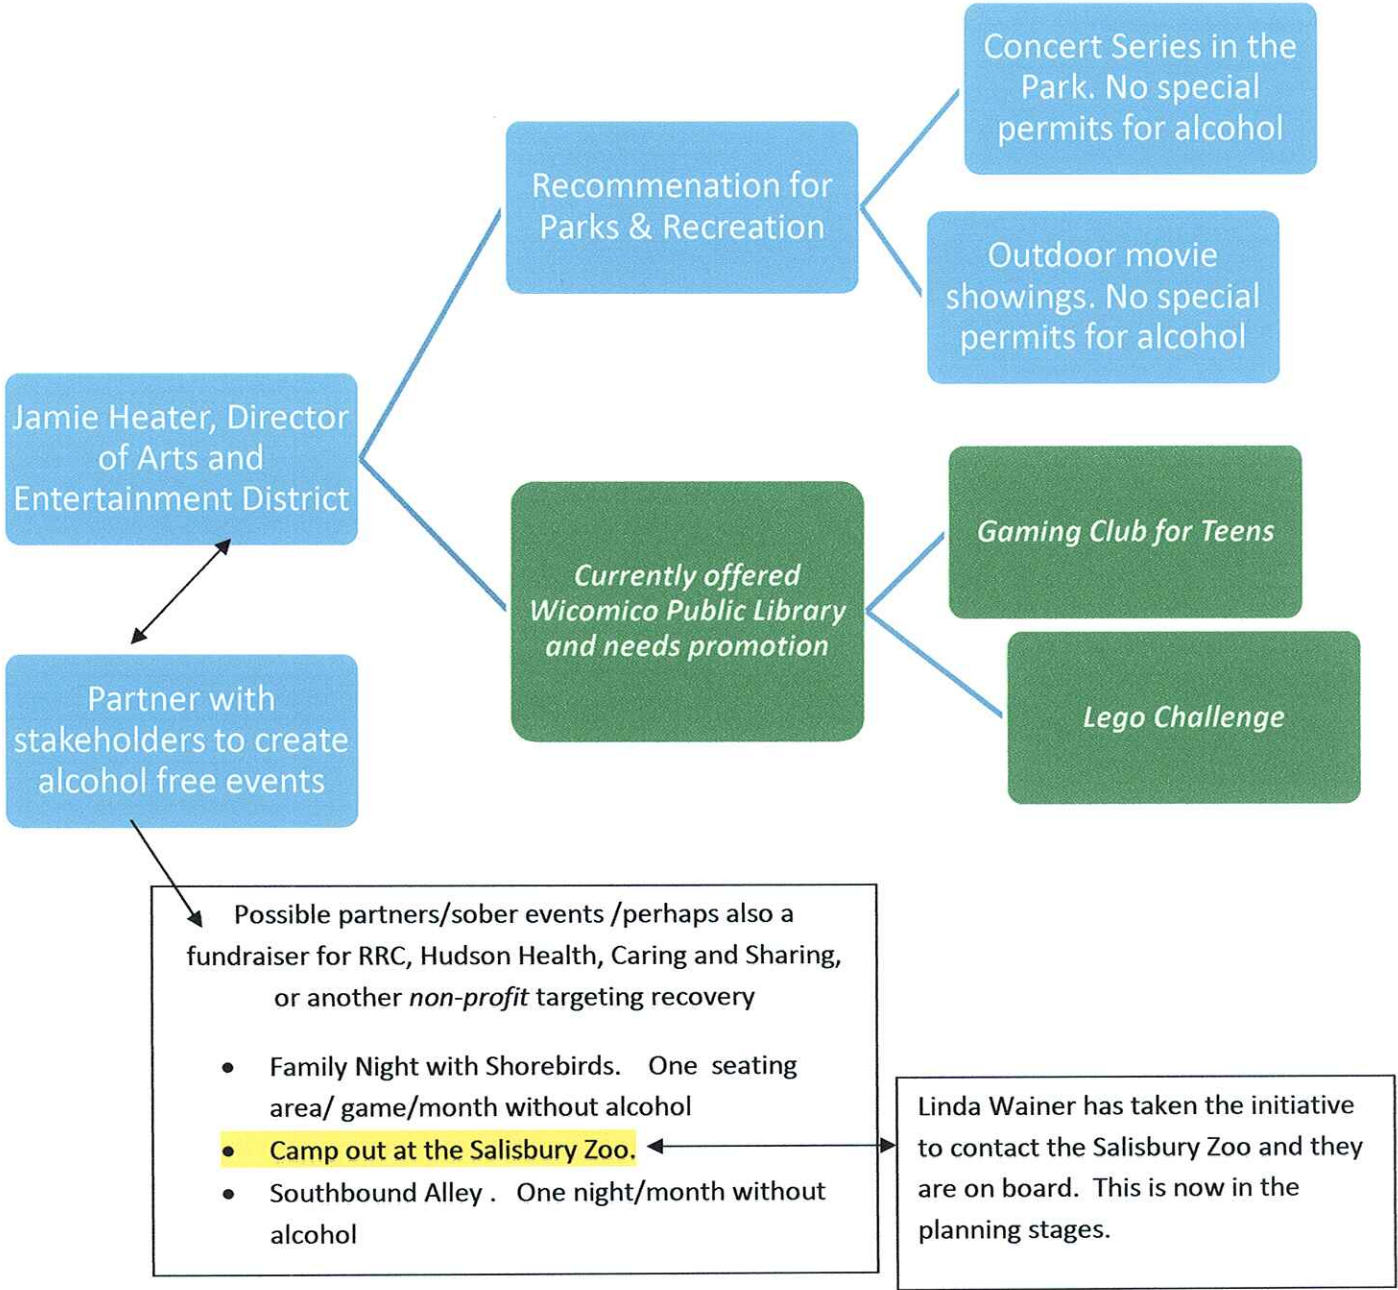

Parity of
MH/Addictions Tx
Reimbursement

- Legislation to address has been passed by State of MD.
Implementation 7/1/17

Narcan Access
and Affordability

- Free trainings and script through Health Dept.
- Increased funding and trainings needed.
- Hudson Ctr provides scripts to every patient
- **All first responders need to carry Narcan**

Recommendations for the City

Green Boxes are events/programs all ready in place, & needing publicity.

Recommendations for going forward:

START to be re-organized as Opioid and Addition Coalition of the Lower Eastern Shore

Recommended Goals for the new Coalition:
