Re: Budget Amendment – MDOT Reimbursement Funds

AP

The Department of Infrastructure & Development is requesting consideration for a budget amendment to move funds received from MDOT to an operating account. The City recently received a reimbursement payment from MDOT-SHA for the Citywide Resurfacing Program which is under the State-Aid Program. Please see the attached letter from MDOT September 3, 2019.

As the Department of Infrastructure & Development wishes to use the reimbursed funds to continue and expand the Citywide Paving and Concrete Repair Programs this year, it is requested that these funds be moved into the FY20 Citywide Street Maintenance Account 31000-534318. The amount of the reimbursement is \$101,178.62.

Unless you or the Mayor have further questions, please forward a copy of this memo and the ordinance to the City Council.
