(Armed Robbery Investigation-ARREST)  
Hebron Savings Bank

Detectives charge one suspect as a result of the bank robbery that occurred during the late afternoon hours on Friday January 31, 2020.

On January 31, 2020 at approximately 3:30 p.m., officers and detectives of the Salisbury Police Department responded to Hebron Savings Bank, located at 543 Riverside Drive for a report of an armed robbery. Bank employees stated that an un-masked suspect had entered the bank and demanded money.

Further investigation revealed that upon entering the bank, the suspect displayed a note while demanding money from the bank employees. The suspect implied he had a weapon and bank employees gave the suspect an undisclosed amount of U.S. currency. Detectives were able to capture CCTV still images of the suspect while he was in the bank. The suspect fled the store on foot with the U.S. currency. Salisbury Police Department K-9 "Hank" conducted a track for the suspect, but the track was unsuccessful in locating the suspect. There were no injuries reported during the incident.

Upon review of the bank CCTV footage and interviewing witnesses, detectives identified 41 year old Michael Christopher Baumann as the suspect who robbed the bank. During the early evening hours on Friday, January 31, 2020, an arrest warrant was issued for Baumann, charging him with the bank robbery.

On February 13, 2020 members of the Capitol Area Regional Task Force located and arrested Baumann in Dover, Delaware. Baumann was served with the arrest warrant and ultimately transported back to the Wicomico County Detention Center where he is being held on no bond. The investigation is ongoing and police are requesting that anyone with information to contact the Salisbury Police Department at (833)-SBY-CITY.
