JOSEPH HOUSE IS STILL OPEN BUT WITH NEW PROTOCOLS

The Joseph House Hospitality Room is still open with new 10-person protocols:

The Hospitality Room is open Monday through Friday from 8:30 a.m. to 12:30 p.m. It is only for men and women who are homeless. Shower and laundry services are available. Please use the side entrance at the Crisis Center.

- We require all our guests to permit us to take their temperature on their temple before they can come into the Center.
- Just four guests may come in at a time for breakfast and they can stay only 15 minutes.
- We provide them each with a take-out lunch.
- Then they leave and we clean up and welcome the next group.
- Monday and Friday we will try to provide showers, one person at a time.
- Guests can leave a small load of laundry and pick it up their clean laundry the next day (Monday if they leave it on Friday).
- Our Food Pantry is also open, but like the Food Bank, we are asking people to stay outside and receive their food outdoors.
- We kept our Financial Assistance program open this week, with just two or three coming in at once. We might have to reduce that to one at a time.
- On the other hand, note that our Soup Kitchen is closed - normally it is open three days a week to anyone. The good news is that some of the volunteer groups who cook for the Soup Kitchen are dropping off food for the homeless.

Phone: 410-749-4239.

Location: 812 Boundary Street, Salisbury, Maryland

The Pantry is open from 9:00 a.m. to 11:15 a.m. every Tuesday, Wednesday, and Thursday. If you need help from the Food Pantry, please bring a photo ID, proof of your income, and a Social Security card for every member of your household.
