ADDITIONAL GUIDANCE

1. Curbside Pick-Up at Non-Essential Businesses Not Permitted // Non-Essential businesses may continue to sell products on a delivery basis, within CDC/MDH guidance
2. Essential Activity is engaging in outdoor activities, such as walking, hiking, running, or biking, but only in compliance with social distancing guidance by CDC/MDH and no more than 10 persons
3. Persons who regularly commute into Maryland from an adjacent state or the District of Columbia, or visa-versa, unless such persons otherwise self-quarantine under applicable CDC or MDH guidance (recent travel to New York/Tri-state area), 14 day quarantine is not expected

Per OLC Interpretive Guidance COVID 19-07 & 19-08

1. Staff Access to Non-Essential Businesses. The Order requires businesses, organizations, and facilities to close to the general public. This does not prohibit staff from being on-site as reasonably necessary for the purposes listed below, if this can be accomplished in a manner consistent with all applicable guidance from the U.S. Centers for Disease Control and Prevention (“CDC”), the Maryland Department of Health (“MDH”), and the Occupational Safety & Health Administration (“OSHA”) regarding social-distancing and environmental cleaning and disinfection:

- a. Facilitating remote working (“telework”) by other staff.
- b. Maintaining essential property.
- c. Performing essential administrative functions, including without limitation, picking up mail and processing payroll.
- d. Preventing loss of, or damage to property, including without limitation, preventing spoilage of perishable inventory.
- e. Caring for live animals.
- f. Continuing to sell products on a delivery or “curbside” pick-up basis.

2. When “Non-Essential” Status is Unclear. If a business, organization, or facility is unsure about whether or not it is considered “non-essential” under the Order, it should:

- a. First, carefully review the Order, all available guidance from the Cybersecurity and Infrastructure Security Agency (see <https://www.cisa.gov/identifying-critical-infrastructure-during-covid-19>), and all Interpretive Guidance issued by OLC to confirm that the business, organization, or facility is not addressed in some way.
- b. Second, if “non-essential” status is still unclear, make a good faith determination about whether it is “non-essential”, based on:
 - i. the Order’s purpose, which is to “reduce the threat to human health caused by the transmission of the novel coronavirus in Maryland, and to protect and save lives”; and
 - ii. how similar businesses, organizations, and facilities are treated under the Order.
- c. Third, if the business, organization, or facility decides to remain open pending more detailed legal advice, strictly adhere to all applicable guidance from the CDC, MDH, and OSHA regarding social-distancing and environmental cleaning and disinfection.

CONFLICT RESOLUTION PROCESS

Interpretive Guidance may be revised or rescinded at any time. Citizens are urged to consult with their own legal counsel for advice about the application of Executive Orders and Interpretive Guidance to their particular facts and circumstances
