Where would you like to serve?

Parks & Recreation Committee

Why would you like to serve on this board/commission?

To whom it may concern,

I would love to serve to help foster a better quality of life for those with disabilities in Salisbury, to encourage accessibility, to help support our underserved communities (i.e. acknowledge more content that could be linguistic friendly and or how some of our community is affected by financial disparity), and to bring my unique background of volunteerism to the Committee. As a woman with a disability, I think my unique background could help foster a better concept of accessibility to our parks!

I have attached a Cover letter in the resume as well.

Please upload a copy of your resume.

Summary

I have background in local community work, volunteerism, and advocacy work. My disability and local community work are both central to my life. Some of my most helpful skill-sets have been utilizing digital platforms to foster knowledge on accessibility and being familiarized with local organizing. Seeking to apply my volunteerism skill-sets and advocacy work to this Committee.

Relevant Experience

The Girl in the Pink Wheelchair — 2012

I founded this for disabled women and girls to share their voices, stories etc. Through this platform, I've been able to share my own writing, fundraisers for those in the disabled community, and make content that's relevant to issues affecting disabled people. I founded this organization because I believe that issues affecting disabled women are especially important. As someone with a physical disability and dependent on a mobility aid, I find it immensely important for there to be positive advocates and platforms.

Delmarva COVID-19 Crafters & Volunteers — 2020

In March of 2020, I created a PPE local grassroots organization after We are now the largest PPE Drive on the Eastern Shore. We're also a regional affiliate of "Get Us PPE (*the largest PPE org*)" and a regional affiliate of Open Source Medical Supplies.

Vulnerable Population Taskforce — 2020

I have been an active member of Salisbury's Vulnerable Population Taskforce since its creations. Some of the things that I have worked with on the Taskforce have been supplying PPE, using some of my graphic design skills, and fostering conversation that fosters an intersectional definition of "accessible."
