Dear Mayor Day,

I would like to thank you for the opportunity I had to serve the people of Salisbury during the last several years as a member of the Disability Advisory Committee. As Salisbury has been trying to improve the quality of life for the citizens, I would like to think my time on the committee has allowed me to be a part of these efforts by working with the city to assist residents with disabilities. While technology to help them has been improving over the past several years, this current period has presented many new challenges most could not have foreseen only a short time ago. I would like to help the city meet the needs of these residents during such difficult times and so I am writing you to request a reappointment for another term on the Disability Advisory Committee.

Sincerely,

Greg Tyler
