MEDIA RELEASE

February 18, 2021
(Wanted-Assault Investigation)

Two suspects remain at large as a result of an assault that occurred early Friday morning.

On February 12, 2021, at approximately 1:41 in the morning, officers from the Salisbury Police Department responded to Tidal Health Peninsula Regional, located at 100 E. Carroll Street, and met with a 27-year-old male victim. The officers observed that the victim had sustained stab and slash wounds which appeared to have been caused by a sharp-edged object. Officers learned that just minutes prior to arrival at Tidal Health, the victim was at Brew River, located at 502 W. Main Street. While at Brew River, words were exchanged between the victim and other business patrons. The victim was ultimately punched in the face and fell to the floor. As the victim stood back up from being knocked to the floor, he realized he had been assaulted by an individual with a knife. The victim was transported to Tidal Health Peninsula Regional by friends and treated by medical personnel for his injuries, which were later deemed to be non-life-threatening.

During the course of the investigation, Salisbury Police detectives were able to identify 22-year-old Altora Ware (pictured below) as the suspect who punched the victim in the face knocking the victim to the floor. Furthermore, it was determined that a second suspect became involved in the confrontation and assaulted the victim with a knife while the victim was on the floor. The second suspect has been identified as 24-year-old Tyree Showell (pictured below). Upon identification of the suspects, applications for charges were submitted to the District Court Commissioner's Office and arrest warrants were issued for both Mr. Ware and Mr. Showell.

The investigation is ongoing and the Salisbury Police Department requests anyone with information regarding this incident to contact the Salisbury Police Department Criminal Investigation Division at (410) 548-3165. Information can also be provided anonymously through Crime Solvers at (410) 548-1776.
