Subject: Re: BPAC Reappointment

I tried to send my information but it did not go through. I would like to continue.

I do not have a printed resume, but here is a summary:

I began as an elementary school teacher in the Philadelphia area suburbs.

I was a Philosophy Professor at Villanova and UMES.

I was President of Coastal Hospice from its beginning until my retirement.

I am on several local committees.

I forgot to state that I also have another Master's Degree. It is in Business Administration from SU and was for current or soon to be Executives. Classes were held on Saturday. Many of us met again on Sunday afternoons to review and discuss the previous day's classes. Jim Perdue and a few other well-known executives were in the program.
