Detectives charge one individual after investigation into the bank robbery that occurred late last Friday afternoon.

On December 3, 2021 at approximately 3:48 in the afternoon members of the Salisbury Police Department responded to the PNC Bank, located at 1810 N. Salisbury Boulevard, to investigate a reported robbery that had just occurred at that location. Upon arrival police personnel were able to meet with witnesses and determined that a masked person had entered the bank and demanded money.

Further investigation revealed that upon entering the bank, the subject produced a note and demanded money from the bank employees. The bank employees provided the subject with an undisclosed amount of U.S. currency and the suspect fled the bank.

Detectives were able to obtain a photograph of a subject of interest and later released the image to the community via social media platforms. Based on information received from members of the community, a suspect was preliminarily identified as 53-year-old Tynise Adkins (pictured below) of Salisbury, Maryland. An application for charges was submitted to the District Court Commissioner and an arrest warrant was issued for Ms. Adkins.

On December 8, 2021 at approximately 6:30 in the morning members of the Salisbury Police Department conducted a search and seizure warrant at Ms. Adkins' residence, located within the 600 block of Homer Street. Ms. Adkins was located at the residence and taken into custody without incident. Ms. Adkins was then transported to the Salisbury Police Department and later released to the Wicomico County Detention Center where she had an initial appearance before a District Court Commissioner.

The Salisbury Police Department would like to thank the members of the community whose support greatly aided in this investigation.

The investigation is ongoing and the Salisbury Police Department requests anyone with information regarding this incident to contact the Salisbury Police Department Criminal Investigation Division at (410) 548-3165. Information can also be provided anonymously through Crime Solvers at (410) 548-1776.
