Overview: We are Salisbury, Maryland, and our town was born from the headwaters of the **Wicomico River**. This special place, nestled squarely between the beaches and the bay, has been attracting people to its stunning location for almost **300 years**. Now one of the largest cities on the peninsula, Salisbury serves as the *Capital of the Eastern Shore*, combining vibrant economic opportunity, quality public education, world-class healthcare, reinvigorated environmental stewardship, globally known corporations, and an energetic and inspiring team of community leaders, to chart its own course, and craft a sound plan for its future.

Department: The Infrastructure & Development Department is responsible for administering all infrastructure and development projects in the City. The Department is the one-stop-shop for Developers entering the City to have projects reviewed through all phases including Planning, Engineering, Traffic Control, Building Permits, Fire Marshal and Construction Inspection.

Profile:

The Associate Planner I enhances the quality of life of our citizens by implementing planning and zoning related projects and developments in the City. You will be responsible for reviewing development projects, interpreting zoning codes and ensuring compliance with local codes/regulations and Critical Area Commission regulations. You will also be responsible for assisting in the implementation of various master plans for the City, such as the City Park Master Plan and the Environmental Policy Task Force Report.

Preferred Education: Bachelor's Degree in Planning, Landscape Architecture, Natural Resource Management or related field. Must be able to communicate clearly and concisely both orally and in writing.

Preferred Experience: One-year planning experience preferred. Plan review, code interpretation or design experience in municipal infrastructure is desirable.

Requirements/Certifications: Valid State of Maryland Driver's License
