(**Arrest** - Assault with Knife Investigation)

One suspect in custody after a verbal altercation resulted in a stabbing on Monday afternoon.

On March 21, 2022, at approximately 12:28 in the afternoon, officers of the Salisbury Police Department responded to Tidal Health Peninsula Regional to investigate a report of an individual who had been stabbed. Upon arrival, officers met with an 18-year-old male victim who had an apparent laceration to his chest as a result of being stabbed with a sharp object. While at Tidal Health the victim's condition was re-classified from life threatening to critical but stable after he received immediate medical intervention.

The investigation conducted by Salisbury Police officers and detectives revealed that prior to responding to Tidal Health Peninsula Regional, the victim and a male subject became engaged in a verbal altercation in the parking lot of U-Haul, 1326 N. Salisbury Boulevard. At one point during the altercation the subject produced a sharp object and stabbed the victim one time in the chest. The subject then fled from the scene while a witness to the incident transported the victim to Tidal Health.

Through the course of the investigation, officers were able to identify 19-year-old Treveyon Winston (pictured below) as the suspect in this incident. An application for charges was submitted to the District Court Commissioner wherein an arrest warrant was issued for Mr. Winston.

On March 22, 2022, at approximately 8:08 in the morning, Mr. Winston was placed under arrest by Salisbury Police detectives, without incident, within the 300 block of E. College Avenue. Mr. Winston was then transported to the Salisbury Police Department and later released to the Wicomico County Detention Center wherein he had an initial appearance before a District Court Commissioner.

This investigation is ongoing and the Salisbury Police Department is requesting anyone with information regarding this incident to contact the Salisbury Police Department Criminal Investigation Division at (410) 548-3165.
