

DEPARTMENT: Field Operations
POSITION: Field Ops Tech-Part time
TYPE: Non-Exempt
SALARY: \$15-\$17/hr DOQ
BENEFITS: None
CLOSING DATE: Open until filled.

Overview: We are Salisbury, Maryland, and our town was born from the headwaters of the Wicomico River. This special place, nestled squarely between the beaches and the bay, has been attracting people to its stunning location for almost 300 years. Now one of the largest cities on the peninsula, Salisbury serves as the *Capital of the Eastern Shore*, combining vibrant economic opportunity, quality public education, world-class healthcare, reinvigorated environmental stewardship, globally known corporations, and an energetic and inspiring team of community leaders, to chart its own course, and craft a sound plan for its future.

Department: The Department of Field Operations is comprised of nine teams and 50+ full-time employees. These teams include: Events, Fleet, Marina, Parking, Parks, Sanitation, Signals and Lighting, Special Projects, and Streets. Commonly known as Public Works in many jurisdictions, this department is tasked with ensuring Salisbury is welcoming and inviting to residents and visitors alike.

Profile:

Under the general supervision of the assigned supervisor, this entry-level position provides operational support to the Department of Field Operations. Although allocated to a specific division (Parks, Sanitation, Streets or Traffic), this position will perform work as needed to support the activities of the Department. Typical work includes assisting with pavement repair, general landscaping work, removal of trash from public properties, sorting curb side recycling, installation of street signs, and assisting with special events.

Studies have shown that women and people of color are less likely to apply for jobs unless they believe they can perform every job description task. We are most interested in finding the best candidate for the job, and that candidate may come from a less traditional background. The City may consider an equivalent combination of knowledge, skills, education, and experience to meet minimum qualifications. If you are interested in applying, we encourage you to think broadly about your background and skill set for the role.
