MEMORANDUM

To: Julia Glanz
From: Tom Stevenson
Subject: Budget Amendment (Traffic Electric 22000 – 556201)
Date: May 10, 2018

Attached, please find an ordinance that will have the effect of amending the FY2018 General Fund Budget. As projected, the Traffic Control Branch identified a shortfall in the Electricity Account (22000 – 556201). These funds are used to purchase electricity for traffic signals, street lighting and other similar devices. There are insufficient funds available in other accounts to cover the deficit.

Unless you have any questions or require additional information, forward this request to the mayor and council for consideration.
