Re: New SHDC Guidelines

Attached you will find the new Salisbury Historic District Guidelines.

In 2016, HCDD obtained a grant from the Maryland Historical Trust to rewrite the existing guidelines that Salisbury has in place. The current guidelines are too vague and do not act as a "guideline" to the property owners or to the City.

The new proposed guidelines are a much better version. They are much more concise, user friendly, and give suggestions to property owners.

Please let me know if you have any further questions.
