Mr. Day, I was early to request continued presence on the Sister Cities Board. I am requesting continued membership on the Bicycle and Pedestrian Steering Committee. With your dedicated and energetic collaboration Salisbury has made great progress in increasing safety for cyclists and pedestrians. These improvements protect our environment, increase safety for pedestrians and cyclists, and increase opportunities for both children and adults to have a healthy life-style. Attached is a second copy of my current resume.

Thank you.  
Marion Keenan
