Mayor Day,

Being a father, educator, citizen and product of Wicomico County; I would consider it a privilege to serve on the Salisbury Zoo Commission. The Maryland Eastern Shore truly benefits from the recreation and education opportunities provided through the Salisbury Zoo. Further, the greater international zoological community continues to benefit from research partnerships with our local zoo. I value the responsibility that the Zoo Commission maintains to promote these initiatives. I also look forward to working with the commission to seek new opportunities that engage our community, excite investors, and strengthen partnerships that support the Salisbury Zoo as a meaningful resource on the Eastern Shore.

It is with this conviction that I request your appointment and that of the Salisbury City Council to the Salisbury Zoo Commission.

Kind Regards,
