

DEPARTMENT: Salisbury Police Department
POSITION: Crime Analyst
TYPE: Full Time
SALARY: \$44,548 -\$48,220
BENEFITS: Full Benefits
CLOSING DATE: Open until filled

Overview: We are Salisbury, Maryland, and our town was born from the headwaters of the **Wicomico River**. This special place, nestled squarely between the beaches and the bay, has been attracting people to its stunning location for almost **300 years**. Now one of the largest cities on the peninsula, Salisbury serves as the *Capital of the Eastern Shore*, combining vibrant economic opportunity, quality public education, world-class healthcare, reinvigorated environmental stewardship, globally known corporations, and an energetic and inspiring team of community leaders, to chart its own course, and craft a sound plan for its future.

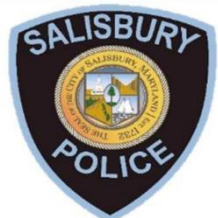

Department: We, the members of the Salisbury Police Department, are committed to providing the highest quality of police services by empowering our members and the community to work in partnership with the goal of improving the quality of life within the City of Salisbury, while at the same time maintaining respect for individual rights and human dignity. **PRIDE** in our community, **PRIDE** in our department, **PRIDE** in ourselves.

Profile:
 Collects information from police department databases, reports, law enforcement feeds, media publications and other non-law enforcement sources to create geographic maps, charts, graphs and reports. Identifies crime patterns and statistical trends and attempts to anticipate and prevent future crimes. Uses analysis to identify areas where law enforcement personnel are best utilized and to inform public of crime patterns and trends. Ensures pertinent information flow throughout all city departments, other government agencies and to the public without compromising data sources and while maintaining privacy rules. Utilize specialized software to assemble suspect and victim profiles and prepare action plans. Shares analysis and information with police administration and field officers as well as other crime analysis professionals. Acts as primary intelligence liaison between the Salisbury Police Department and regional law enforcement agencies. Performs other duties as required.

Preferred Education: Bachelor of Science Degree in Geography (GIS Track), Computer Science, Mathematics, Environmental Science
 Or other related field preferred.

Preferred Experience: Two years of experience or equivalent training, education.

Requirements/Certifications: Valid Driver's License. The position requires stooping and bending occasional moderate lifting or equipment or other materials (up to 40 pounds) may be required. Ability to pass a complete background check.
