JOBS IN SBY

DEPARTMENT: Infrastructure and Development
POSITION: Engineering – Civil (3) Positions
TYPE: Full-time (35hrs/week)
SALARY: Based on Level and Experience
BENEFITS: Full Benefits
CLOSING DATE: Open Until Filled

Overview: We are Salisbury, Maryland, and our town was born from the headwaters of the **Wicomico River**. This special place, nestled squarely between the beaches and the bay, has been attracting people to its stunning location for almost **300 years.** Now one of the largest cities on the peninsula, Salisbury serves as the *Capital of the Eastern Shore*, combining vibrant economic opportunity, quality public education, world-class healthcare, reinvigorated environmental stewardship, globally known corporations, and an energetic and inspiring team of community leaders, to chart its own course, and craft a sound plan for its future.

Department: The Infrastructure & Development Department is responsible for administering all infrastructure and development projects in the City. The Department is the one-stop-shop for Developers entering the City to have projects reviewed through all phases including Planning, Engineering, Traffic Control, Building Permits, Fire Marshal and Construction Inspection.

Profile: Engineers in the department manages design, contracting and construction of City infrastructure, review private development projects for compliance with City standards and State stormwater regulations. City infrastructure includes drinking water production and distribution, waste water collection and treatment, storm water treatment and management, roads, bridges and dams, along with a zoo and marina. Our engineers enjoy a dynamic variety of challenges with ample opportunities to apply and develop a broad range of professional skills.

Preferred Education: (4) year ABET accredited Engineering Program

Preferred Experience: City of Salisbury is currently interviewing entry level, supervisory level and senior level engineers looking for creative individuals who can readily adapt to a variety of challenges

Requirements/Certifications: Valid State of Maryland Driver's License required, preference given to EIT or PE.

How to Apply:
Submit City application, cover letter, driving record and resume online at www.salisbury.md/apply

Studies have shown that women and people of color are less likely to apply for jobs unless they believe they can perform every job description task. We are most interested in finding the best candidate for the job, and that candidate may come from a less traditional background. The City may consider an equivalent combination of knowledge, skills, education, and experience to meet minimum qualifications. If you are interested in applying, we encourage you to think broadly about your background and skill set for the role.
