Salisbury, Maryland 21801

Executive Summary

AP-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

1. Introduction

The City of Salisbury has prepared a Consolidated Plan which covers a five (5) year period from July 1, 2019 - June 30, 2024. For each CDBG Program Year the City must also prepare an Annual Action Plan to guide its use of affordable housing and community development resources. Both Plans address three basic goals: (1) the provision of decent housing, (2) the creation of a suitable living environment, and (3) the expansion of economic opportunities, primarily to benefit low- and moderate-income persons. The Consolidated Plan and Annual Action Plans also serve as the City of Salisbury's application for federal Community Development Block Grant (CDBG) Program funds. The City is not eligible as a grantee for any other formula entitlement programs administered by HUD.

The Strategic Plan portion of Salisbury's Consolidated Plan covers a five (5) year period from July 1, 2019 to June 30, 2024 (using CDBG Program Year (PY) 2019–2023 funds). This Annual Action Plan covers the upcoming one-year program period beginning July 1, 2023 and ending June 30, 2024 (using CDBG PY 2023 funds).

2. Summarize the objectives and outcomes identified in the Plan

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

The "Vision" of the Five-Year Consolidated Plan is to serve as a consolidated planning document, an application, and a strategic plan for the City of Salisbury. The City of Salisbury's PY 2019-2023 Five Year Consolidated Plan proposes the following six (6) strategies to address the priority needs in the City:

Housing Strategy -

Priority Need: There is a need for additional decent, safe, sanitary, and affordable housing for homebuyers, homeowners, and renters.

Goals:

HS-1 Homeownership – Increase the supply of owner-occupied housing units through housing counseling, down payment assistance, and closing cost assistance.

HS-2 Housing Construction – Encourage the construction of new affordable housing units in the City for owners and renters.

HS-3 Housing Rehabilitation – Conserve and rehabilitate existing affordable housing units occupied by owners and renters in the City by addressing code violations, emergency repairs and handicap accessibility.

Homeless Strategy -

Priority Need: There is a need for housing access for homeless persons and persons at-risk of becoming homeless.

Goals:

HO-1 Housing – Support the Continuum of Care's efforts to provide emergency shelter, transitional housing, permanent supportive housing, and other permanent housing opportunities.

HO-2 Operation/Support – Assist providers operating housing or providing support services for the homeless and persons or families at-risk of becoming homeless.

Other Special Needs Strategy -

Priority Need: There is a need for housing access, services, and facilities for persons with special needs.

Goals:

SN-1 Housing – Support an increase in the supply of accessible, decent, safe, sanitary, and affordable housing for the elderly, persons with disabilities, persons with HIV/AIDS, victims of domestic violence, persons with alcohol/drug dependency, and persons with other special needs through rehabilitation of existing buildings and new construction.

SN-2 Social Services – Support social service programs and facilities for the elderly, persons with disabilities, persons with HIV/AIDS, victims of domestic violence, persons with alcohol/drug dependency, and persons with other special needs.

Community Development Strategy -

Priority Need: There is a need to improve the community facilities, infrastructure, public services, and quality of life in the City of Salisbury.

Goals:

CD-1 Community Facilities and Infrastructure – Improve the City’s public facilities and infrastructure through rehabilitation, reconstruction, and new construction.

CD-2 Public Safety and Services – Improve and enhance public safety, public services, and public programs.

CD-3 Connectivity – Improve connectivity within the City and to surrounding communities through physical, visual, transportation, and accessibility improvements.

CD-4 Clearance/Demolition – Remove and eliminate slum and blighting conditions throughout the City.

Economic Development Strategy –

Priority Need: There is a need to encourage employment and economic opportunities in the City of Salisbury.

Goals:

ED-1 Employment – Support and encourage job creation, job retention, and job training opportunities.

ED-2 Development – Support business and commercial growth through expansion and new development.

ED-3 Redevelopment – Plan and promote the development, redevelopment, and revitalization of vacant commercial and industrial sites.

Additional Summary Information

ED-4 Financial Assistance – Support and encourage new economic development through local, state, and federal tax incentives and programs such as Tax Incremental Financing (TIF), Tax Abatements (LERTA), Payment in Lieu of Taxes (Pilot), Enterprise Zones/Entitlement Communities, Section 108 Loan Guarantees, Economic Development Initiative (EDI) funds, etc.

ED-5 Access to Transportation – Support the expansion of public transportation and access to bus and automobile service to assist residents’ transportation needs for employment and job training opportunities.

Administration, Planning, and Management Strategy –

Priority Need: There is a need for planning, administration, management, and oversight of federal, state, and local funded programs.

Goals:

AM-1 Overall Coordination – Provide program management and oversight for the successful administration of federal, state, and local funded programs, including planning services for special studies, environmental clearance, fair housing activities, and compliance with all federal, state, and local laws and regulations.

3. Evaluation of past performance

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

Each year the City prepares its Consolidated Annual Performance Evaluation Report (CAPER). This report is submitted within ninety (90) days after the start of the new program year. The CAPER is available for review on the City of Salisbury website under the Housing and Community Development Department (HCDD) - Community Development section.

The PY 2021 CAPER, which was the third CAPER for the PY 2019-2023 Five Year Consolidated Plan, was submitted to HUD prior to the September 2022 due date and is still being reviewed by the Baltimore filed office. In the PY 2021 CAPER, the City expended 100% of its CDBG funds to benefit low- and moderate-income persons. The City expended 0% of its funds during the PY 2021 CAPER period on public service, which has a statutory maximum of 15%. The City expended 19.07% of its funds during this CAPER period on Planning and Administration, which is below the statutory maximum of 20%. As a CDBG Entitlement grantee, in accordance with the CDBG regulations at 24 CFR 570.902, the City must have a balance no greater than one and one-half (1.5) times its annual grant remaining in the Line of Credit, 60 days prior to the end of the program year. As of March 20, 2023 the City of Salisbury had an expenditure ratio of 1.41:1, and is in compliance with the standard. On January 30, 2023 Salisbury completed a substantial drawdown on the PY 2020 and PY 2021 Truitt Street Community Center Rehab/Expansion projects, resulting in meeting timeliness standards 3 months prior to the May deadline.

One project was funded in PY 2022 to for the Rehabilitation/ Expansion of Waterside Park. The Environmental Review Record is underway and development of a project scope and procurement package is in process.

The City did not make any changes to its Five-Year Priorities and Goals during the previous plan year.

4. Summary of Citizen Participation Process and consultation process

Summary from citizen participation section of plan.

The City of Salisbury, in compliance with the City's Citizen Participation Plan, advertises and holds two (2) public hearings annually on the community development needs of the City. These hearings are held in the City Council Chambers to provide residents with the opportunity to discuss the City's CDBG program and to offer their suggestions on future CDBG program priorities.

The CDBG public hearings are additionally broadcast live on Cable Channel 14 (PAC-14), and the recordings of the hearings are posted on YouTube for viewing after the original broadcast. A copy of the notices for both of the CDBG Public Hearings which ran in the Daily Times newspaper and the minutes from both meetings is included in the 'Citizen Participation' section of the exhibits of the final version of the Annual Action Plan.

All CDBG Public notices are published in the Legal section of the Daily Times newspaper, and posted on the City's website and the City's Facebook page. Copies of all CDBG Public Notices are also e-mailed to the local HALS CoC Director, and to the Wicomico County NAACP Branch Director, per their individual requests.

The City of Salisbury updated its Citizen Participation Plan in 2020 to include the new procedures that were authorized by HUD to allow for alternate methods of holding public hearings and expedited public comment periods during disasters and/or emergencies. The updated Citizen Participation Plan was approved by the Salisbury City Council at their legislative meeting on May 26, 2020.

5. Summary of public comments

This could be a brief narrative summary or reference an attached document from the Citizen Participation section of the Con Plan.

Two public hearings for CDBG PY 2023 are to be held April of 2023.

The first public hearing will be as held on April 12, 2023. This hearing allows citizens an opportunity to comment on the 2023 Action Plan and provide their views on the community development needs of the City of Salisbury. Comments received will be included in the final version of this plan.

The second public hearing will be held on April 26, 2023. The hearing will provide citizens with a status report on the CDBG projects that are currently underway and those that were completed in the last year. Comments received will be included in the final version of this plan.

6. Summary of comments or views not accepted and the reasons for not accepting them

The 30-day public comment period for the PY 2023 CDBG Action Plan will run from March 24, 2023 to April 24, 2022. Written comments will be accepted from the public on the PY 2023 Action Plan during the 30-day public comment period.

7. Summary

As outlined in the Citizen Participation Plan adopted by the City Council, the Finance Department encourages service providers, citizens and other interested individuals to comment on the City's housing and community development needs. All CDBG Public notices are published in the Legal section of the Daily Times newspaper, and posted on the City's website and the City's Facebook page. Copies of all CDBG Public Notices are also e-mailed to the local HALS CoC Director, and to the Wicomico County NAACP Branch Director, per their individual requests.

The overall goal of the housing, homeless, other special needs, community development, economic development, anti-poverty, and planning programs covered by the Five Year Consolidated Plan is to strengthen cooperation with other jurisdictions and to develop partnerships among all levels of government and the private sector. This includes for-profit and non-profit organizations, to enable them to provide decent housing, establish and maintain a suitable living environment, and expand economic opportunities for every resident.

PR-05 Lead & Responsible Agencies – 91.200(b)

1. Agency/entity responsible for preparing/administering the Consolidated Plan

Describe the agency/entity responsible for preparing the Consolidated Plan and those responsible for administration of each grant program and funding source.

Agency Role	Name	Department/Agency
CDBG Administrator	SALISBURY	Finance Department

Table 1 – Responsible Agencies

Narrative (optional)- In PY 2021 it read managed by Grants Manager, who reports to the Assistant Director of Finance - Operations

The City of Salisbury's Finance Department is the administrating agency for the CDBG Program. The CDBG Program is managed by the Grants Manager, who reports to the Assistant Director of Finance – Operations. The Department is responsible for the preparation of the Five-Year Consolidated Plans, Annual Action Plans, Environmental Review Records (ERRs), Consolidated Annual Performance Evaluation Reports (CAPERs), as well as monitoring, processing pay requests, contracting, and oversight of the projects / programs on a day-to-day basis.

In those years when the City elects to hold an open funding round for CDBG, it conducts a competitive application process to award funds to other public agencies and local 501(c)(3) non-profit organizations to undertake CDBG eligible activities. However, in some years the City may choose to utilize the CDBG funds internally to conduct eligible activities that meet a national objective.

AP-10 Consultation – 91.100, 91.200(b), 91.215(I)

1. Introduction

In those years when the City elects to hold an open funding round for the Community Development Block Grant (CDBG) program, it conducts a competitive application process to award funds to other public agencies and local 501(c)(3) non-profit organizations to undertake CDBG eligible activities. The applications received are reviewed by the CDBG Review Committee and/or City Staff members. A public hearing is held to allow the applicants to make a verbal presentation on their project to the CDBG Review Committee, and field questions from the Committee members. Following the public hearing the Committee members formulate an award recommendation which is submitted to the Mayor and/or City Administrator for review and approval. When the projects / amounts have been finalized the draft Action Plan is created, and the public is given an opportunity to provide comments. When the public comment period has elapsed, the City Council passes a Resolution approving the Action Plan and authorizing the Mayor to submit it to HUD for review and approval. A percentage of the City's CDBG funds are then awarded to the non-profit applicants for eligible activities. However, in some years the City may choose to utilize the CDBG funds internally to conduct eligible activities that meet a national objective.

Each year, as a part of the CDBG application process, local agencies/organizations and individuals are invited to participate in the consultation process through attending a public hearing or responding directly to the draft documents that are posted for public comment.

Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(I))

The City acts as the single point of contact to coordinate efforts between public and assisted housing providers, as well as private and governmental health, mental health, and social service agencies. The City works with the following agencies to enhance funding and service allocations to address the housing and community development needs of the City:

- Salisbury Finance Department -- oversees the City's CDBG grant program
- The Wicomico County Housing Authority -- manages the Housing Choice Voucher Program and Public Housing Units
- Social Services Agencies -- provide supportive services to address the needs of low- and moderate-income persons
- Housing Providers -- rehabilitate and develop affordable housing units for low- and moderate-income households

- Homeless Alliance for the Lower Shore Continuum of Care (HALS CoC) Committee -- oversees the Continuum of Care (CoC) network including the City

Collaboration and coordination with these entities will continue in order to capitalize on potential future funding opportunities, as well as potential project partnerships, that would result in increased benefits to low- and moderate-income households and persons.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

The Homeless Alliance for the Lower Shore Continuum of Care Committee (HALS CoC) is the Continuum of Care for Salisbury. The HALS CoC was formed to provide supportive services and housing for the homeless individuals and families in Wicomico, Somerset, and Worcester Counties. Members include representatives from local housing programs, county homeless boards, area shelters, non-profits, service organizations, state, federal and county agencies, faith community, law enforcement, universities, Board of Education representatives of the three school districts, mental health agencies, hospitals, employment agencies, permanent supportive housing providers, landlords, local providers, foundations, the business community, local residents and formerly homeless individuals.

Subrecipient CoC and ESG funded projects address the needs of homeless persons through the Continuum of Care Lead Agency's direction to prevent and end homelessness in the area. Various organizations and individuals participate in an assortment of ways through joint collaboration to end homelessness. These organizations accomplish this goal by addressing the immediate and ongoing needs of homeless persons (chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness. The City, through various departments, regularly meets with CoC representatives to discuss efforts to address the needs of homeless persons and persons at risk of homelessness. Additionally, CDBG funds have been used to financially support and leverage the efforts of the CoC, including but not limited to: shelter/housing support, supportive service activities, administrative support and eviction prevention assistance.

Since 2016, the City of Salisbury, in partnership with the Wicomico County Health Department (WiCHD) and Help and Outreach Point of Entry, Inc. (HOPE), has been running a permanent supportive housing (PSH) program for chronically homeless persons. This program adheres to a 'Housing First' philosophy, stressing a relatively low barrier for access to the program and high bar for ejection from the program. In 2023, the City of Salisbury placed 1 additional household in the PSH program, consisting of 3 adults and 3 children. One household exited the program and moved out of state. Currently the City's PSH program has 10 active households, with a total of 13 people, consisting of 13 adults.

Participants are housed in private, scattered-site rentals, with the majority of the cost of housing (rent and utilities) covered by the City. Participants are required to contribute 30% of their income to the payment of their rent. The WiCHD provides targeted case management (TCM) to participants of the program, reimbursable through Medicaid. The case managers meet with the program participants approximately once a week. As needed, the Homeless Alliance of the Lower Shore provides ongoing support and advice to the City on operating the program.

The City launched its “Here Is Home” program in September 2021, to address housing supply, affordability, and homelessness. As part of this initiative the City has constructed Anne Street Village. This facility consists of a community of tiny homes and offers 24 transitional housing units for chronically homeless residents; currently slated to open Spring 2023. The facility occupants will be provided access to jobs services through the City’s “Way To Work” jobs program and will receive intensive case management services.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

The CoC manages ESG funds and consults with the state agency that awards ESG funds for the balance of the state to the three (3) local jurisdictions to fund sub-recipients for ESG services. All of the ESG program sub-recipients are active participants of the CoC and serve on the CoC's governing board. In 2018 the State combined all homeless funding under the Homelessness Solutions Programs (HSP), including ESG. The CoC submits the application to the State for agencies providing ESG funded services for Outreach, Shelter, Rapid Rehousing and Prevention, all with case management. The CoC Ranking Committee reviews the project applications and forwards their recommendations to the CoC Lead for submission to the State. The City of Salisbury is one of the agencies that submits projects to provide rapid rehousing and outreach to the HALS CoC for inclusion in the annual HSP application. The CoC uses HMIS reports and the State Data Warehouse to monitor program progress by accessing data quality, number of clients served, bed utilization, length of stay, returns to homelessness, and exits to permanent housing. HMIS data is also used for PIT, HIC, AHAR/LSA, SSVF, and numerous HMIS reports that assures HMIS data can be used to prevent and end homelessness in the local CoC.

The CoC uses a ranking tool for both CoC and ESG funded projects with objective criteria. For CoC funded projects, the agencies use the CoC ranking spreadsheet provided by HUD that captures APR results to measure progress in ending chronic homelessness, housing stability, increasing income, and obtaining mainstream benefits for project participants. This tool is used by the monitoring and ranking committee to rank projects and the recommendation is then presented to the full CoC for a vote. The CoC ranking is made available to CoC members and is posted on its website.

For ESG, CoC, and SSVF funded projects, the HMIS administrator sends reports to agencies to document data quality. While the data quality standard is 90%, the CoC routinely exceeds this threshold. Should reports show data quality issues, the HMIS system administrator provides additional applicable training to staff. For projects submitting data into the State Data Warehouse, the HMIS administrator provides technical assistance and additional training to ensure that ESG programs meet the performance and data quality standards. The HMIS administrator goes over report results with program management staff and trains management and agency staff in how to ensure data quality. On a monthly basis, the HMIS administrator runs data quality reports and provides comprehensive HMIS data to the CoC on all projects on a quarterly basis.

Identify any Agency Types not consulted and provide rationale for not consulting

All agency types were consulted. In those years when the City elects to hold an open funding round, local agencies/organizations are invited to submit proposals for CDBG-eligible activities and to participate in the consultation process through attending a public hearing and/or responding directly to the draft documents that are posted for public comment.

The City of Salisbury, in compliance with the City's Citizen Participation Plan, advertises and holds two (2) public hearings annually on the community development needs of the City. These hearings provide residents and interested agencies with the opportunity to discuss the City's CDBG program and to offer their suggestions on future CDBG program priorities. The CDBG public hearings are held in the Council Chambers and broadcast live on Cable Channel 14 (PAC-14). Videos of the hearings are posted on YouTube for viewing after the original broadcast.

A copy of the draft notice for both CDBG Public Hearings to be run in the Daily Times is included in the 'Citizen Participation' section of the exhibits.

Other local/regional/state/federal planning efforts considered when preparing the Plan

Name of Plan	Lead Organization	How do the goals of your Strategic Plan overlap with the goals of each plan?
Continuum of Care	Somerset County Health Department	The Homeless Alliance for the Lower Shore (HALS) CoC is the primary provider of housing and supportive services for the City of Salisbury's homeless population and those at risk of becoming homeless. The goals of the City and the HALS CoC are complementary.
Annual and Five Year Capital Plan	Wicomico County Housing Authority	The Wicomico County Housing Authority (WCHA) is the lead agency providing public housing assistance and Section 8 vouchers in the area. The goals of the City and the WCHA are complementary.

Table 3 – Other local / regional / federal planning efforts

Narrative (optional)

City of Salisbury is the county seat for Wicomico County. Close consultation is maintained between City and County departments to ensure that the needs of the area are adequately addressed.

Wicomico County and the City of Salisbury have conducted joint planning activities since 1943 through the joint Planning and Zoning Commission and a joint planning office to provide assistance to both the City and the County. In 1989, in response to increased growth and change, the Planning Office was re-designated as the Department of Planning, Zoning and Community Development (PZ&CD). In 2003, the City of Salisbury joined with the State of Maryland, Wicomico County, Delmar, and Fruitland to establish the federally recognized Salisbury/Wicomico Metropolitan Planning Organization (MPO). The PZ&CD Department was designated as the MPO agency, and the administrator of related

regional transportation planning funds. In December of 2011, a reorganization of certain County departments resulted in the transfer of the permitting, inspection, and development related functions from the Department of Public Works to the PZ&CD Department. In 2017 a City Planner position was created in the City's Department of Infrastructure & Development (DID) to orchestrate City planning efforts and to perform the duties of the Planning Office. The City and County still share a joint Planning and Zoning Commission. The structure of the MPO is unchanged.

Development policies are determined by the Mayor and Council for the City of Salisbury. The Planning and Zoning Commission and the MPO Council have policy roles as designated by the governing bodies. The Planning Division of the Infrastructure & Development Department is an agency of the City government and follows the City administrative policies and procedures. It is funded by the City.

Expected Resources

AP-15 Expected Resources – 91.220(c)(1,2)

Introduction

HUD has informed the City of Salisbury that it will receive \$363,857 in CDBG funds for the PY 2023 program year. This amount is approximately 1.00% less than the amount of funding awarded to the City in PY 2022. The City's PY 2023 CDBG program year starts on July 1, 2023 and concludes on June 30, 2024.

The City is not a direct recipient of HUD's Emergency Solutions Grant (ESG), Housing Opportunities for People With AIDS (HOPWA), or HOME Partnership (HOME) funds. Entities within the City are encouraged to apply for funding under these programs through the Maryland Department of Housing and Community Development (DHCD). The City will support applications that are submitted to DHCD that address the needs and strategies identified in the Consolidated Plan.

Table 5 - Expected Resources – Priority Table

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

The City will continue to utilize federal, state and private resources currently available to develop and expand affordable rental opportunities, homeownership options for low- and moderate-income households, and to promote other critical community sustainability initiatives.

Other resources available to help the City address its housing and community development needs include funds from the Maryland Department of Housing and Community Development (DHCD), such as low interest mortgage finance (HOME funds), housing rehabilitation money (Maryland Housing Rehabilitation Program - MHRP funds), Special Targeted Area Rehabilitation (STAR) Program funds, lead-based paint reduction funds (Lead Hazard Reduction Program), first-time homebuyer settlement expenses, rental allowance funds (Rental Allowance Program), and neighborhood revitalization program (Community Legacy and Neighborhood Partnership) funds.

Salisbury has successfully obtained funding from the Environmental Protection Agency, the National Fish & Wildlife Foundation, the Maryland Department of Natural Resources, the Department of Transportation, and the State Highway Administration. To help with crime reduction and revitalization activities the City has received funds through the Law Enforcement Block Grant program, the Edward Byrne Memorial Justice Assistance Grant (JAG) program, the Bulletproof Vest Partnership Program (DOJ), as well as Wicomico Exile (gun control), the Gun Violence Reduction Initiative, and the Maryland Criminal Intelligence Network (MCIN) through the Governor's Office of Crime Control & Prevention (GOCCP).

If appropriate, describe publicly owned land or property located within the jurisdiction that may be used to address the needs identified in the plan?

In December 2020 the City completed the acquisition of the Truitt Street Community Center, so that property is now owned by the City / publicly owned. The acquisition was accomplished with a combination of State of Maryland grant funds received through the Department of General Services (DGS), some reallocated 2018 CDBG funds, and City funds. The Truitt St. Community Center is located in the Church Street - Doverdale CDBG Target Neighborhood.

Now that the City owns the Truitt St. Community Center we are moving forward with making some much-needed major improvements to the facility. The City set aside \$150,000 in PY 2020 CDBG funds, \$85,796 in PY 2021 CDBG funds, and the City has allocated \$220,000 in bond funding for the rehabilitation / expansion of the Truitt St. Community Center. This gives the project a total budget of \$455,796. The City has completed the exterior of the major expansion and is currently in the process of developing a procurement package for the interior build-out of the new facility

The Truitt Street Community Center is open to anyone who would like to participate in the activities offered, however the youth served at the Community center are typically between 10 and 24 years of age. The Center is located in the Church Street-Doverdale CDBG target neighborhood, which has an average low-mod percentage of 77.5%.

The City has committed PY 2022 CDBG funds to make improvements to another City owned / publicly owned facility - Waterside Park. The Waterside Park Improvements project will include the installation of restrooms and a pavilion with picnic tables. This project will be completed with a combination of CDBG funds and City funding. Waterside Park is located in the Westside CDBG Target Neighborhood, in Census Tract 3 / Block Group 2, which has a low-mod percentage of 94.9%.

The program year 2023 CDBG allocation will be utilized in part to complete improvements at the City-owned Anne Street Village; a tiny homes community created to provide transitional housing for the homeless. Improvements will include the construction of a laundry facility, storage shed, installation of additional security lighting/cameras, and ADA modifications to the shower unit. The Village will service the homeless population; therefore, the low-mod benefit percentage will be 100%. City funds in the amount of \$542,500 are dedicated to completing the facility.

Discussion

The City will utilize available federal, state and private resources currently available to address the needs identified in the City's Consolidated Plan.

AP-35 Projects – 91.220(d)

Introduction

The City of Salisbury's PY 2023 CDBG Program year begins July 1, 2023 and ends June 30, 2024. The

following projects will be funded with the City's PY 2023 CDBG allocation:

1. CDBG Program Administration --- \$ 72,771
2. CoS – Low-Mod Neighborhood Sidewalk Construction & Pedestrian Improvements --- \$222,086
3. CoS – Homeless Services Intensive Case Manager --- \$ 19,000
4. CoS – Anne Street Village Construction/Rehab --- \$ 50,000

Table 7 - Project Information

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

The City allocates its CDBG project funds primarily to those geographic areas where the population exceeds 51% low- and moderate-income households. At least 70% of the City's CDBG funds are budgeted to activities that principally benefit low- and moderate-income persons. The following guidelines for allocating CDBG funds will be used for the PY 2023 Annual Action Plan:

- The Low-Mod Neighborhood Sidewalk Construction activity is an LMA project located in the Presidents/Princeton CDBG target neighborhood, which has a low-mod percentage of 68.46%.
- The City of Salisbury Homeless Services Intensive Case Manager project is a Low-Mod Limited Clientele (LMC) benefit project, which will serve homeless persons City-wide. Persons experiencing homelessness fall under the presumed low-mod income benefit standard; therefore, individual income information is not required.
- The City of Salisbury - Anne Street Village Construction/Rehab project is a Low-Mod Limited Clientele (LMC) benefit project, which will serve the residents of the City-owned Anne Street Village; a tiny home community designed to provide shelter to the City’s homeless population. As the Anne Street Village is a transitional housing facility which provides services exclusively to the homeless in our community, this project falls under the presumed benefit standard, and individual income information will not need to be gathered from the homeless clients residing at the facility. Anne Street Village is located in the Church Street/Doverdale CDBG target neighborhood, which also has a low-mod percentage of 77.5%

The most significant obstacle for the City in addressing the underserved community needs represented by the projects above continues to be the need for additional funding to develop additional or enhanced housing and community development activities.

	Location Description	Anne Street, Salisbury, MD
	Planned Activities	Construction and/or rehabilitation to include provision of a laundry facility, storage shed, additional security lighting and/or camera, a covered sitting area, and ADA modifications to shower units.

AP-50 Geographic Distribution – 91.220(f)

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

The City of Salisbury will provide CDBG funds to activities principally benefitting low-mod income persons throughout the City. While specific target areas have been identified in the City, the majority of CDBG project funding is generally not directed to any specific geographic area, but instead based on income benefit. The projects to be implemented with CDBG funds in PY 2023 will benefit low- and moderate-income persons in the Presidents/Princeton CDBG target neighborhood and homeless persons City-wide.

Salisbury has identified the following areas as target areas: the City’s Downtown, Camden Neighborhood, Newtown-North Division Street Neighborhood, Church Street-Doverdale Neighborhood, Presidents-Princeton Neighborhood, and the West Side Neighborhood. The City has been focusing on the revitalization of these target neighborhoods for several years, utilizing a number of different funding programs. All of these neighborhoods have suffered from age, neglect, an overabundance of rental properties, and irresponsible and/or absent landlords. Of the five neighborhoods, the West Side neighborhood has the highest rate of minority concentration (83.5%), as well as a large number of people with low-mod household incomes and high rates of poverty. Besides capital investments to support homeownership opportunities, provide services to homeless individuals, and improve infrastructure in low-mod income neighborhoods to improve accessibility and connectivity, the City has made a commitment of staff to reduce crime, promote job training, and revitalize the Downtown.

The City of Salisbury Consolidated Plan defines an Area of Minority Concentration as follows; “Census tracts where at least 60% of the population who reside within the census tract are identified as minority households, as defined by the 2010 U.S. Census.” Currently there are two census tracts within the City of Salisbury which qualify under this definition; Census Tract 1 and Census Tract 3. Census Tract 1 encompasses the Church Street-Doverdale CDBG target neighborhood. The percentage of minority residents residing in Census Tract 1 is 69.3%. Census Tract 3 encompasses the West Side CDBG target neighborhood. The percentage of minority residents residing in Census Tract 3 is 83.5% (2019 ACS 5-Year Estimates).

Presidents-Princeton CDBG Target Area	76%

Newtown-North Division CDBG Target Area	
West Side CDBG Target Area	

Table 4 - Geographic Distribution

Rationale for the priorities for allocating investments geographically

The rationale for funding activities was based on the eligibility of the activity. The activity must meet a national objective and demonstrate evidence of need in the community. Additional consideration was given based on the community's or the agency/organization's past history of expenditure of the CDBG funds, the ability to leverage other funds for this activity, and whether the PY 2022 request was related to projects that if not funded, would result in a special assessment against low- to moderate-income homeowners. Finally, a high priority was given to activities based on the community's or agency/organization's ability to complete the project in a timely manner. The City will provide CDBG funds to activities principally benefitting low/mod income persons in the City, but additional consideration is given to projects that benefit the target areas of the City.

The City of Salisbury has established the following criteria when determining priorities for CDBG projects:

- Meeting the statutory requirements of the CDBG program.
- Meeting the needs of very-low, low- and moderate-income residents.
- Focusing on low- and moderate-income areas or communities.
- Coordinating and leveraging of resources.
- Response to expressed needs.
- Projects that could prevent a special assessment from being levied against low- to moderate-income households.
- Ability to complete the project in a timely manner.

The primary obstacle to meeting the underserved needs is the limited resources available to address the identified priorities in the City.

Discussion

The geographic locations and the public benefit for the PY 2023 CDBG Activities/Projects are as follows:

- Project 2023-01: Program Administration -- will benefit residents citywide.
- Project 2023-02: Low-Mod Neighborhood Sidewalk Construction & Pedestrian Improvements -- will benefit residents in the Presidents/Princeton CDBG target neighborhood, Census Tract 5, Block Groups 1,2 and 3 and Census Tract 105.02, Block Group 4
- Project 2023-03: Homeless Services Intensive Case Manager- will benefit homeless residents citywide
- Project 2023-04: Anne Street Village Construction/Rehab: will benefit homeless residents

Affordable Housing

AP-55 Affordable Housing – 91.220(g)

Introduction

In PY 2017 and 2018 the City awarded CDBG funding to Salisbury Neighborhood Housing Services (SNHS) for Homebuyer Assistance Grants. The expenditure of those funds moved much more slowly than anticipated. This was due to the fact that the inventory of homes for sale inside the City limits that are affordable to clients at or below 80% AMI is very low and/or the property is in such poor condition that it will not pass the home inspection. SNHS has now expended all of their 2017 and their 2018 funding for Homebuyer Assistance Grants.

In PY 2019 the City awarded funding to Habitat for Humanity of Wicomico County for a housing unit to be constructed at 504 Tangier Street. Construction began on the house in February 2020, was completed by the end of June 2020, and the fencing was installed in July 2020. Settlement on the house took place in June 2021.

In 2021 the City of Salisbury utilized a portion of its CDBG funds to address our affordable housing goals by awarding SNHS additional funding for the Homebuyer Assistance Grants program, and awarding Habitat for Humanity additional funding to construct a new single-family affordable housing unit on Barclay Street in the Church Street-Doverdale CDBG target neighborhood. The home on Barclay Street was completed January 2023 and the family took ownership in that same month. The Homebuyer Assistance Grants Program is still underway.

This year the City has elected not to allocate any additional funding for affordable housing projects, as the 2021 SNHS projects still has approximately 27% of their funding available. The City has elected to allocate funds to Anne Street Village to provide transitional housing to the City’s homeless population, however, this is not counted as affordable housing. Therefore, the one-year goals for affordable housing in the City of Salisbury in PY 2023 are shown in the tables below.

Discussion

In PY 2021 the City of Salisbury allocated CDBG funding for two affordable housing projects by providing additional funding to Salisbury Neighborhood Housing Services (SNHS) for Homebuyer Assistance Grants, and awarding funding to Habitat for Humanity of Wicomico County to construct a new single-family affordable housing unit on Barclay Street in the Church Street-Doverdale CDBG target neighborhood. The Barclay street home was completed January 2023 and the SNHS Homebuyer Assistance Program is still underway. For PY 2023 the City has elected not to allocate any additional funding for affordable housing projects, as the 2021 SNHS project still has approximately 27% of their funding available and it was determined that funding was needed for homeless transitional housing.

AP-60 Public Housing – 91.220(h)

Introduction

It is the mission of the Wicomico County Housing Authority (WCHA) to address the needs of the extremely low income, very low income, and lower income residents of Wicomico County and the City of Salisbury. The WCHA provides affordable housing in the most efficient and effective manner to qualified individuals in accordance with the rules and regulations prescribed by the U.S. Department of Housing and Urban Development, the State of Maryland, Wicomico County, the City of Salisbury, and any other entity providing funding for affordable housing programs. This is achieved by the WCHA assisting individuals and families through its public housing communities, Section 8 Housing Choice Vouchers, and Tax Credit developments such as Phase I and Phase II of Booth Street.

Phase II of the Booth Street RAD project, called the Square at Merritt Mill has been completed. The Authority is working with developers on the re-development of the old Booth Street site to provide a future use for affordable housing. With this second phase of development being completed the total investment into the Booth Street revitalization project will be approximately \$37.5 million. One new opportunity introduced in January of 2021 is the Streamline Voluntary Conversion program whereby housing authorities may opt to apply for an approval of a plan to convert its entire public housing portfolio to project based vouchers, thereby eliminating its public housing program. At this time, we have not concluded this would be the best option for the housing authority.

Actions planned during the next year to address the needs to public housing

The Wicomico County Housing Authority allocated the following FY 2023 funds for its public housing units:

- Physical Improvements: \$338,306
- Management Improvements: \$7,500
- Administration: \$48,989
- Operations: \$97,978

The WCHA has made extensive energy improvements in the occupied units over the last 3 years. The current construction market has experienced an unprecedented increase in the cost of construction materials. In October of 2021, WCHA awarded a contract for the renovations of 10 more units of boarded up houses to be totally renovated. As of this date we have half of the units completed and look forward to the remaining to be completed by June 2023.

The WCHA has partnered with Green Street Housing for the re-development of the Riverside Homes complex. The partnership will consist of the total renovation of the Riverside Homes complex and include the addition of the Mitchell Landing complex (24 units). We look forward to this partnership as we improve and increase the quality of affordable housing in the City of Salisbury.

The City of Salisbury has identified that there is a need for housing to address the households affected by housing problems, severe housing problems, and housing cost burdens. The Wicomico County Housing Authority (WCHA) is an important part of the City of Salisbury’s housing strategy. The WCHA is the primary provider of assisted housing for the extremely low income, very low income, and lower income residents of Wicomico County and the City of Salisbury.

Actions to encourage public housing residents to become more involved in management and participate in homeownership

The Wicomico County Housing Authority encourages residents of its public housing units to organize community groups to become more involved in housing management. Neighborhood crime watch groups have been formed and assist in ensuring the safety of residents is maintained. During the COVID-19 pandemic the WCHA held monthly virtual board meetings to communicate information to the public. The public and all program participants are encouraged to participate in these regular WCHA meetings. As the WCHA continues the phased Scattered Site renovations, they are encouraging the public to attend any of the meetings that will be held to update the community on changes to the project schedules.

If the PHA is designated as troubled, describe the manner in which financial assistance will be provided or other assistance

The Wicomico County Housing Authority (WCHA) is designated as a “standard” performer by HUD. The WCHA continues to make changes to its operation by converting its public housing portfolio to project based housing. The WCHA administration believes that by diversifying its services it can better serve the community.

Future policy changes will greatly depend on the outcome of annual congressional appropriations. It is anticipated that the Authority will be going through a name change to bring the agency in line with its new operational approach. The name being proposed is the ‘Housing Opportunities Commission of Wicomico’.

Discussion

The City of Salisbury has identified that there is a need for housing to address the households affected by housing problems, severe housing problems, and housing cost burdens. The Wicomico County Housing Authority (WCHA) is an important part of the City of Salisbury’s housing strategy. The WCHA is the primary provider of assisted housing for the extremely low-income, very low-income, and lower income residents of Wicomico County and the City of Salisbury. The old site where the Booth Street housing units were demolished will become a new site for future affordable housing opportunities. We are looking forward to our partnership with Green Street Housing as we develop and revitalize in communities that offer that opportunity.

AP-65 Homeless and Other Special Needs Activities – 91.220(i)

Introduction

The three lower shore counties of Wicomico, Worcester and Somerset comprise the Homeless Alliance for the Lower Shore Continuum of Care (HALS CoC) which includes representation from local health departments, governments, nonprofit organizations, businesses and interested residents both with and without lived experience of homelessness.

The CoC applies for Federal funding each year through the Department of Housing and Urban Development's (HUD) Notice of Funding Opportunity (NOFO) competition.

The most recent NOFO competition, covering PY2022, provided a **total** award of \$1,323,314 that funded 7 permanent supportive housing (PSH) programs plus the CoC planning grant. These PSH programs are administered by either the Somerset County Health Department (SCHD) or the Maryland Department of Health (MDH) and operate in all three counties.

The SCHD programs account for 5 of the 7 total programs and that funding totaled \$950,765 which served 142 clients (103 designated as chronically homeless) in 84 households.

The MDH programs account for the remaining 2 programs, with a funding amount of \$331,294 that served 58 clients (27 chronically homeless) in 31 households.

In addition to HUD funded housing assistance, the US Department of Veterans Affairs provides HUD-VASH assistance for veterans and their families on the Lower Shore.

In addition, the City of Salisbury provides 10 units of PSH for unsheltered, chronically homeless clients at a cost of \$108,679.

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

Members of the CoC have recently re-invigorated a subcommittee (the Homeless Advisory Council) which meets regularly to discuss opportunities for outreach for local homeless residents. One outreach event was held during the plan year. The event was well-attended and positive feedback was received from attendees. More events are planned, with local organizations interested in attending as well.

Additionally, the CoC will continue to provide the following outreach and services to homeless persons and families:

- PATH outreach: Wicomico County continues its contract with the City of Salisbury for street outreach (including encampments) to homeless individuals with serious mental health needs.

- Street outreach: provided by the City of Salisbury through ESG funding
- Meals, services and bathroom availability provided by two daytime facilities in the City
- Community Resource Days: outreach, information, and referrals for housing and services
- Supportive Services for Veteran Families (SSVF): housing assistance and other services
- Faith based organizations: outreach and referral for housing and services
- Distribution of resource cards and guides throughout the area
- Annual point-in-time (PIT) count in all three counties
- Outreach provided at community events
- Food pantries and soup kitchen outreach
- 24-hour general help hotline: 211
- Homeless ID Project

Information and resources are always available on the HALS CoC website:
somersethealth.org/homelessness

The City continues to be an active participant in CoC meetings and applicable subcommittees.

Addressing the emergency shelter and transitional housing needs of homeless persons

There are two large year-round emergency shelters in the City of Salisbury that are faith-based and do not accept any government funds. Four other emergency shelters across the three lower shore counties, including a domestic violence shelter, receive State ESG funding from funds provided to the HALS CoC. A daily bed availability list is sent to all recipients on the CoC email list to allow for consistent information sharing and quicker assistance for those in need.

Unfortunately, beds are often unavailable in any shelter as finding and retaining affordable housing is an ongoing issue in the area.

The only dedicated cold weather shelter in Salisbury has been housed at Park Seventh-day Adventist Church on John Deere Dr for several seasons. The shelter can house 32 men in the winter months (and up to 40 with emergency cots added). Another year-round shelter in the City adds beds/cots during severe weather.

There is a cold-weather shelter in Ocean City (Worcester County) that will also open when the wind chill temperature is below 25°F.

There are two faith-based shelters who provide transitional shelter to individuals – one to women and their children and one to men.

Although Covid-19 spacing and testing rules have been lifted, the virus is still active. Some shelters are

still regularly testing and have plans in place regarding quarantine/separation of affected guests.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

The HALS CoC works with its partners to resolve, reduce and remove barriers homeless persons experience during their transition to permanent housing and independent living by:

- Establishing coordinated assessment process to reduce barriers to program entry
- Implementing the 'Housing First' model
- Connecting program participants to resources such as income (social security benefits/workforce agencies), utilities, rent, increased case management, etc., to sustain permanent housing
- Utilizing available housing resource lists to assist program participants to identify housing options.
- Using HMIS data to analyze results on a quarterly basis for all programs
- Incorporating diversion into coordinated assessment process to try to prevent first time homelessness

However, lack of affordable housing continues to limit the efficacy of these measures.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.

The CoC has created a network of increased outreach programs, intake and assessment options, housing opportunities, and service referrals to help low-income individuals and families avoid becoming homeless. This process is linked to the coordinated entry system and the 'housing first' model. Additionally, the Maryland Department of Health (MDH) provides referral services and case management to persons being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions) to ensure that those individuals receive the supportive services that match their needs.

While all the publicly funded institutions and systems of care in the area have adopted discharge policies and procedures that are designed to not discharge clients into homelessness, CoC members have

observed that the implementation of these plans is not flawless.

The CoC still contends with a lack of adequate staffing levels to properly access post-discharge housing and services with the added challenges of unavailability of affordable housing in the area.

An area of improvement that the CoC has identified to address the accessibility issue is utilization of the CoC's coordinated assessment/entry system. The CoC will continue its efforts, in collaboration with the City and tri-county members, to improve knowledge and communication between publicly funded institutions and systems of care that could potentially discharge a client into homelessness and the housing/service providers.

The City of Salisbury's Housing and Community Development Department (HCDD) has staff available to refer low-income individuals and families to available affordable housing options and supportive service programs in the City to help them avoid becoming homeless. Additionally, the Housing Authority has prioritized waiting list status for seniors and persons with disabilities.

The City of Salisbury has recently begun developing community centers around the City to address the needs of our local youth. The City purchased a building at 306 Newton Street, and that building underwent substantial renovations to enable the City to offer a range of after school programs at the facility. After-school programs are an effective means of preventing youth from engaging in destructive lifestyles, such as drug use, delinquency, violence, and school failure. These programs provide benefits to youth that extend beyond academics, helping to develop the whole child - academically, socially and emotionally.

The City operates a second Community Center at 319 Truitt Street, currently undergoing major expansion and improvements funded partially through allocations from the PY 2020 and 2021 CDBG funds. The Center is open to anyone who would like to participate in the activities offered, however the youth served are typically between 10 and 24 years of age. The Truitt St. Community Center uses basketball and other programs to reach the neighborhood youth. The participants benefit from sports activities, tutoring, group and enrichment exercises, and homework help. The Center works with several local nonprofits to provide services to the local residents, including the Salisbury PRIDE Lions Club, Chesapeake Health Care and Kidz Roc.

The City has also provided CDBG funding over the years to local agencies for projects that address the needs of the elderly and/or disabled populations. Those agencies include: MAC, Inc., Area Agency on Aging; Holly Community, Inc. (now known as the Bay Area Center for Independent Living); and the Deaf Independent Living Association (DILA).

Discussion

Covid-19 had a serious impact on CoC operations at all levels so many of the previously set goals remain

on this list.

The CoC has identified the following goals for PY 2023:

- Reduce the number of **homeless** individuals and families
- Reduce the number of **chronically homeless** individuals and families
- Reduce the number of **first-time** homeless individuals and families
- Reduce the **length of time** people experience homelessness
- Reduce the **returns** to homelessness
- Declare an end to veteran homelessness

The City of Salisbury does not intend to provide housing and supportive services for persons with HIV/AIDS and their families, we will rely on the local health service agencies who work with those individuals to provide those services.

The City does not intend to provide housing and supportive services to public housing residents, as those services are provided by the Wicomico County Housing Authority.

AP-75 Barriers to affordable housing – 91.220(j)

Introduction:

The City of Salisbury will monitor and review public policies for discriminatory practices and/or impacts on housing availability. The City completed an Analysis of Impediments to Fair Housing Choice concurrent with the preparation of the Five-Year Consolidated Plan during PY 2019.

On May 24, 2021 (PY21) the city of Salisbury enacted additional fair housing guideline relating to the application process and fees associated with applying for housing, specifically related to disclosing cost and criminal history look back periods. Ordinance 2267 reads:

Requirements for a Landlord and a Landlord's Agent.

1. Before a Landlord or a Landlord's Agent may charge an Applicant a fee to apply to Lease or Rent a Dwelling Unit, the Landlord or the Landlord's Agent shall disclose to the Applicant: (a) the charge or cost of the application for Lease or Rent of a Dwelling Unit; (b) if a Background Check Report will be conducted and, if so, how far back the Background Check Report can extend, referred to as the "lookback period;" and, (c) any exclusionary criteria used to screen an Applicant.
2. A Landlord and a Landlord's Agent shall: (a) disclose the Landlord's or Landlord's Agent's policies and practices related to a Background Check Report on their website(s), within their application materials, and at their rental or leasing office(s); and, (b) provide notice of the requirements set forth in subsection (B)(1) above within the Landlord's or Landlord's Agent's application materials, on their website(s), and at their rental or leasing office(s).
3. If a Landlord or a Landlord's Agent orders a Background Check Report for an Applicant, such Landlord or Landlord's Agent shall provide a copy of the Background Check Report to the Applicant.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

The City will continue to undertake the following actions in CDBG PY 2023:

- Review the City Zoning Ordinance for potential revisions. Revisions to the zoning code have been released for review by the public; a complete overhaul to the code is expected to be completed by no later than the summer of 2024. The proposed changes will allow for more flexibility in setback requirements, affording the opportunity to create additional housing. Offer tax abatement programs to our local partners Habitat 4 Humanity and Salisbury Neighborhood Housing to increase the impact in the city.
- The city continues to address homeless populations with the introduction of a Chronically Homeless Transitional Dwelling Unit Community offering 24 homeless individuals the

opportunity to participate in a program which provides housing, job training and resources.

- The Here is Home program will increase housing units by over 8,000 units. Program incentives include waiver of all permit fees required for building including annexation. Applications were open for 90 days and we expect an additional 1400+ affordable housing unit in the city.

The City of Salisbury has allocated PY 2023 CDBG funds to the following activity to address barriers to affordable housing: SBY-2022-01 -- CDBG Program Administration

Discussion:

The City of Salisbury is committed to removing or reducing barriers to the development of affordable housing whenever possible throughout the City. A variety of actions include, among others, to reduce the cost of housing to make it affordable. To achieve this goal, the City of Salisbury plans to:

- Provide developers with incentives for the construction of affordable housing. The Here Is Home Program continues to grow and impact the city's available housing stock using.
- Continue to waive single-family owner-occupied building permit fees
- Assist in acquiring sites for affordable housing through Here Is Housing and annexation
- Promote Federal and State financial assistance for affordable housing by sharing information on Federal and State funding available to those in need as well as solicit grants to address affordable housing

AP-85 Other Actions – 91.220(k)

Introduction:

The City of Salisbury has developed the following actions planned to address obstacles to meeting underserved needs, foster and maintain affordable housing, reduce lead-based hazards, reduce the number of poverty-level families, develop institutional structures, and enhance coordination between public, private housing and social service agencies.

Actions planned to address obstacles to meeting underserved needs

The primary obstacle to meeting the underserved needs in the City of Salisbury is the limited financial resources available to address the priorities identified in the Five Year Consolidated Plan and the lack of affordable housing. The City of Salisbury is not a HUD entitlement jurisdiction under the HOME program, therefore resources for housing activities are limited. Under the PY 2022 CDBG Program the City will take the following actions:

- Continue to leverage its financial resources and apply for additional public and private funds
- Continue to provide funds for new affordable housing
- Continue its support and cooperation with the Continuum of Care (CoC)
- Continue to promote economic development
- Continue to provide public safety improvements
- Continue to remove slum and blighting conditions in the City

Actions planned to foster and maintain affordable housing

The City of Salisbury owns Mitchell Landing Apartments, a 24-unit apartment complex which was built with Partnership Rental Housing Program (PRHP) funds received from CDA / DHCD. Severn Companies manages the property for the City. Mitchell Landing serves moderate-income families.

Since 2016, the City of Salisbury, in partnership with the Wicomico County Health Department (WiCHD) and Help and Outreach Point of Entry, Inc. (HOPE), has been running a permanent supportive housing (PSH) program for chronically homeless persons. This program adheres to a 'Housing First' philosophy, stressing a relatively low barrier for access to the program and high bar for ejection from the program. In 2023 the City of Salisbury placed 1 additional household in the PSH program, consisting of 3 adults and 3 children. One household exited the program and moved out of state. Currently the City's PSH program has 10 active households, with a total of 13 people, consisting of 13 adults.

Participants are housed in private, scattered-site rentals, with the majority of the cost of housing (rent and utilities) covered by the City. Participants are required to contribute 30% of their income to the payment of their rent. The WiCHD provides targeted case management (TCM) to participants of the program, reimbursable through Medicaid. The case managers meet with the program participants approximately once a week. As needed, the Homeless Alliance of the Lower Shore (HALS) CoC provides ongoing support and advice to the City on operating the program.

In Spring 2023, the City will open Anne Street Village, a community of 24 tiny homes designed to provide housing to the City's homeless residents. PY 2023 funds are being committed to enhance the amenities offered through the addition of a laundry facility, security lighting and cameras, a storage shed, and ADA modifications to shower units.

The Wicomico Housing Authority will continue to fund the following activities to foster and maintain affordable housing in the City of Salisbury:

- Continue to provide Housing Choice Vouchers and public housing units
- Continue to rehabilitate, make 504 improvements, and develop new housing units

Actions planned to reduce lead-based paint hazards

In Salisbury, it is estimated that 6,190 housing units in the City were built before 1980 and are at risk of lead-based paint hazards. Based on the 2021 American Community Survey 5 Year Estimates, 1,573 (or 47%) of owner-occupied housing units were built before 1980 and 4,617 (or 47%) of renter-occupied housing units were built before 1980. CHAS data reports that there are 1,136 (or 30%) owner-occupied housing units with children present that were built before 1980 and may contain LBP hazards and 288 (or 3%) renter-occupied housing units with children present that were built before 1980 and may contain LBP hazards in the City. The City of Salisbury will continue to comply with Title 24 Part 35: Lead-Based Paint Poisoning Prevention in Certain Residential Structures (Current Rule). The City is not funding any activities that directly reduce lead-based paint hazards during PY 2023.

Actions planned to reduce the number of poverty-level families

Based upon the 2021 ACS Five-Year Estimates, approximately 24.8% of the City of Salisbury's residents live below the poverty level, which is over double of the State of Maryland poverty level, which is at 10.3%. A higher percent of females (27.9%) than males (21.1%) are living below poverty level, and 28.2% of all youth under the age of 18 are living in poverty.

The City of Salisbury has recently begun developing community centers around the City to address the

needs of our local youth. The City purchased a building at 306 Newton Street, and that building underwent substantial renovations to enable the City to offer a range of after school programs at the facility. After-school programs are an effective means of preventing youth from engaging in destructive

lifestyles, such as drug use, delinquency, violence, and school failure. These programs provide benefits to youth that extend beyond academics, helping to develop the whole child - academically, socially and emotionally.

The City is now operating a second Community Center at 319 Truitt Street, currently undergoing major improvements and expansion. The Center is open to all who would like to participate in the activities offered, however the youth served are typically between 10 and 24 years of age.

The Truitt St. Community Center uses basketball and other programs to reach the neighborhood youth. The participants benefit from sports activities, tutoring, group and enrichment exercises, and homework help. The Center works with several local nonprofits to provide services to the local residents, including the Salisbury PRIDE Lions Club, Chesapeake Health Care and Kidz Roc. The City included funding in both the 2020 and 2021 Action Plans for extensive rehabilitation / expansion work to be completed at the Community Center. The City has also allocated some bond funding to the project, the exterior expansion construction is complete. The City is in process of entering into an agreement with the Boys & Girls Club to provide funding for the interior build-out of the expanded space.

Actions planned to develop institutional structure

The City of Salisbury has a productive working relationship with many community partners in the implementation of the City's housing and community development projects. The Finance Department will coordinate activities among the public and private agencies and organizations in the City. This coordination will ensure that the goals and objectives stated in the PY 2019-2023 Five-Year Consolidated Plan will be effectively addressed by more than one entity. The following entities will carry out the PY 2023 annual goals and objectives:

- City of Salisbury Finance Department -- manages and administers the CDBG program.
- The Wicomico County Housing Authority -- manages and administers Housing Choice Vouchers and public housing units.
- Homeless Alliance for the Lower Shore (HALS) Continuum of Care (CoC) Committee -- coordinates homeless services and homeless prevention activities.
- City of Salisbury Housing & Community Development Department (HCDD) -- manages the Newton Street and Truitt Street Community Centers and operates the Anne Street Village for the homeless
- City of Salisbury Infrastructure & Development Department -- oversees the Low-Mod Neighborhood Sidewalk Constructions projects.

The City will continue to develop relationships that will assist the City to address its housing and community development needs, especially collaborative relationships that provide additional financial resources and expertise that can be used to supplement existing services in the City.

Actions planned to enhance coordination between public and private housing and social service agencies

The City of Salisbury is committed to continuing its participation and coordination with social service agencies, housing agencies, community and economic development agencies, County, State, and Federal agencies, as well as with the private and non-profit sectors, to serve the needs of target income individuals and families in the City of Salisbury. In those years when the City elects to hold an open funding round, the City solicits funding requests for the CDBG program from local 501(c)(3) non-profit agencies. The City's Finance Department staff provide guidance and technical assistance as needed to support these public agencies that receive CDBG funding. Alternatively, the City may also choose to utilize the annual CDBG funding award to execute projects internally that meet the CDBG national objective and eligibility requirements.

During this program year, the City funded Project 2023-01: Program Administration in the amount of \$72,771 to accomplish this goal.

Discussion:

The Finance Department has the primary responsibility for monitoring the City's Five Year Consolidated Plan and Annual Action Plan. The Department maintains records on the progress made toward meeting the goals and the statutory and regulatory requirements of each activity. The Department has a monitoring process that is focused on analyzing activities based on program performance, financial performance, and regulatory compliance. The accomplishments of the PY 2023 CDBG activities will be reported in the PY 2023 Consolidated Annual Performance and Evaluation Report (CAPER) and will be used as a basis for future funding decisions.

Program Specific Requirements

AP-90 Program Specific Requirements – 91.220(I)(1,2,4)

Introduction:

The City of Salisbury expects to receive a total of \$363,857 in CDBG funding for PY 2023. This represents a reduction of approximately 1% as compared to the CDBG funding received in PY 2022. The following CDBG funds are expected to be available during the program year and program specific requirements, including dedication of at least 70% of funds to benefit low to moderate income persons will be met.

Community Development Block Grant Program (CDBG) Reference 24 CFR 91.220(I)(1)

Projects planned with all CDBG funds expected to be available during the year are identified in the Projects Table. The following identifies program income that is available for use that is included in projects to be carried out.

1. The total amount of program income that will have been received before the start of the next program year and that has not yet been reprogrammed	0
2. The amount of proceeds from section 108 loan guarantees that will be used during the year to address the priority needs and specific objectives identified in the grantee's strategic plan.	0
3. The amount of surplus funds from urban renewal settlements	0
4. The amount of any grant funds returned to the line of credit for which the planned use has not been included in a prior statement or plan	0
5. The amount of income from float-funded activities	0
Total Program Income:	0

Other CDBG Requirements

1. The amount of urgent need activities	0
2. The estimated percentage of CDBG funds that will be used for activities that benefit persons of low and moderate income. Overall Benefit - A consecutive period of one, two or three years may be used to determine that a minimum overall benefit of 70% of CDBG funds is used to benefit persons of low and moderate income. Specify the years covered that include this Annual Action Plan.	100.00%

Annual Action Plan 62
2023

Under the PY 2023 CDBG Program, the City expects to receive a grant in the amount of \$363,857 and anticipates \$0 in program income. The City budgeted \$72,771 for General Administration for a total planning and administration cost of \$72,771 (20%). The balance of the funds (\$291,086) will be allocated to activities which principally benefit low- and moderate-income persons in the amount of \$293,619 (100%), \$0 for the removal of slums and blight (0%), and \$0 for urgent needs (0%). The activities that will principally benefit low- and moderate-income persons are:

- 1) CoS – Low-Mod Neighborhood Sidewalk Construction & Pedestrian Improvements --- \$222,086
- 2) CoS – Homeless Services Intensive Case Manager --- \$ 19,000
- 3) CoS – Anne Street Village Construction/Rehab --- \$ 50,000

In those years when the City elects to hold an open funding round for the Community Development Block Grant (CDBG) program, it conducts a competitive application process to award funds to other public agencies and local 501(c)(3) non-profit organizations to undertake CDBG eligible activities. The applications received are reviewed by the CDBG Review Committee and/or City Staff members. A public hearing is held to allow the applicants to make a verbal presentation on their project to the CDBG Review Committee, and field questions from the Committee members. Following the public hearing the Committee members formulate an award recommendation which is submitted to the Mayor and/or City Administrator for review and approval. When the projects / amounts have been finalized the draft Action Plan is created, and the public is given an opportunity to provide comments. When the public comment period has elapsed, the City Council passes a Resolution approving the Action Plan and authorizing the Mayor to submit it to HUD for review and approval. A percentage of the City's CDBG funds are then awarded to the non-profit applicants for eligible activities. The City also exercises the option in some years to utilize the CDBG funds internally to conduct eligible activities that meet a national objective.

ASSURANCES - CONSTRUCTION PROGRAMS

OMB Number: 4040-0009
Expiration Date: 02/28/2025

Public reporting burden for this collection of information is estimated to average 15 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0042), Washington, DC 20503.

PLEASE DO NOT RETURN YOUR COMPLETED FORM TO THE OFFICE OF MANAGEMENT AND BUDGET. SEND IT TO THE ADDRESS PROVIDED BY THE SPONSORING AGENCY.

NOTE: Certain of these assurances may not be applicable to your project or program. If you have questions, please contact the Awarding Agency. Further, certain Federal assistance awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant, I certify that the applicant:

1. Has the legal authority to apply for Federal assistance, and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project costs) to ensure proper planning, management and completion of project described in this application.
2. Will give the awarding agency, the Comptroller General of the United States and, if appropriate, the State, the right to examine all records, books, papers, or documents related to the assistance; and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives.
3. Will not dispose of, modify the use of, or change the terms of the real property title or other interest in the site and facilities without permission and instructions from the awarding agency. Will record the Federal awarding agency directives and will include a covenant in the title of real property acquired in whole or in part with Federal assistance funds to assure non-discrimination during the useful life of the project.
4. Will comply with the requirements of the assistance awarding agency with regard to the drafting, review and approval of construction plans and specifications.
5. Will provide and maintain competent and adequate engineering supervision at the construction site to ensure that the complete work conforms with the approved plans and specifications and will furnish progressive reports and such other information as may be required by the assistance awarding agency or State.
6. Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.
7. Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.
8. Will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. §§4728-4763) relating to prescribed standards of merit systems for programs funded under one of the 19 statutes or regulations specified in Appendix A of OPM's Standards for a Merit System of Personnel Administration (5 C.F.R. 900, Subpart F).
9. Will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§4801 et seq.) which prohibits the use of lead-based paint in construction or rehabilitation of residence structures.
10. Will comply with all Federal statutes relating to non-discrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§1681 1683, and 1685-1686), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §794), which prohibits discrimination on the basis of handicaps; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. §§6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) §§523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. §§290 dd-3 and 290 ee 3), as amended, relating to confidentiality of alcohol and drug abuse patient records; (h) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (i) any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and (j) the requirements of any other nondiscrimination statute(s) which may apply to the application.

11. Will comply, or has already complied, with the requirements of Titles II and III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (P.L. 91-646) which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal and federally-assisted programs. These requirements apply to all interests in real property acquired for project purposes regardless of Federal participation in purchases.
12. Will comply with the provisions of the Hatch Act (5 U.S.C. §§1501-1508 and 7324-7328) which limit the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.
13. Will comply, as applicable, with the provisions of the Davis-Bacon Act (40 U.S.C. §§276a to 276a-7), the Copeland Act (40 U.S.C. §276c and 18 U.S.C. §874), and the Contract Work Hours and Safety Standards Act (40 U.S.C. §§327-333) regarding labor standards for federally-assisted construction subagreements.
14. Will comply with flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (P.L. 93-234) which requires recipients in a special flood hazard area to participate in the program and to purchase flood insurance if the total cost of insurable construction and acquisition is \$10,000 or more.
15. Will comply with environmental standards which may be prescribed pursuant to the following: (a) institution of environmental quality control measures under the National Environmental Policy Act of 1969 (P.L. 91-190) and Executive Order (EO) 11514; (b) notification of violating facilities pursuant to EO 11738; (c) protection of wetlands pursuant to EO 11990; (d) evaluation of flood hazards in floodplains in accordance with EO 11988; (e) assurance of project consistency with the approved State management program developed under the Coastal Zone Management Act of 1972 (16 U.S.C. §§1451 et seq.); (f) conformity of Federal actions to State (Clean Air) implementation Plans under Section 176(c) of the Clean Air Act of 1955, as amended (42 U.S.C. §§7401 et seq.); (g) protection of underground sources of drinking water under the Safe Drinking Water Act of 1974, as amended (P.L. 93-523); and, (h) protection of endangered species under the Endangered Species Act of 1973, as amended (P.L. 93-205).
16. Will comply with the Wild and Scenic Rivers Act of 1968 (16 U.S.C. §§1271 et seq.) related to protecting components or potential components of the national wild and scenic rivers system.
17. Will assist the awarding agency in assuring compliance with Section 106 of the National Historic Preservation Act of 1966, as amended (16 U.S.C. §470), EO 11593 (identification and protection of historic properties), and the Archaeological and Historic Preservation Act of 1974 (16 U.S.C. §§469a-1 et seq.).
18. Will cause to be performed the required financial and compliance audits in accordance with the Single Audit Act Amendments of 1996 and OMB Circular No. A-133, "Audits of States, Local Governments, and Non-Profit Organizations."
19. Will comply with all applicable requirements of all other Federal laws, executive orders, regulations, and policies governing this program.
20. Will comply with the requirements of Section 106(g) of the Trafficking Victims Protection Act (TVPA) of 2000, as amended (22 U.S.C. 7104) which prohibits grant award recipients or a sub-recipient from (1) Engaging in severe forms of trafficking in persons during the period of time that the award is in effect (2) Procuring a commercial sex act during the period of time that the award is in effect or (3) Using forced labor in the performance of the award or subawards under the award.

CERTIFICATIONS

In accordance with the applicable statutes and the regulations governing the consolidated plan regulations, the jurisdiction certifies that:

Affirmatively Further Fair Housing --The jurisdiction will affirmatively further fair housing.

Uniform Relocation Act and Anti-displacement and Relocation Plan -- It will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, (42 U.S.C. 4601-4655) and implementing regulations at 49 CFR Part 24. It has in effect and is following a residential anti-displacement and relocation assistance plan required under 24 CFR Part 42 in connection with any activity assisted with funding under the Community Development Block Grant or HOME programs.

Anti-Lobbying --To the best of the jurisdiction's knowledge and belief:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;
2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions; and
3. It will require that the language of paragraph 1 and 2 of this anti-lobbying certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

Authority of Jurisdiction -- The consolidated plan is authorized under State and local law (as applicable) and the jurisdiction possesses the legal authority to carry out the programs for which it is seeking funding, in accordance with applicable HUD regulations.

Consistency with plan -- The housing activities to be undertaken with Community Development Block Grant, HOME, Emergency Solutions Grant, and Housing Opportunities for Persons With AIDS funds are consistent with the strategic plan in the jurisdiction's consolidated plan.

Section 3 -- It will comply with section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) and implementing regulations at 24 CFR Part 75.

Specific Community Development Block Grant Certifications

The Entitlement Community certifies that:

Citizen Participation -- It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

Community Development Plan -- Its consolidated plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that that have been developed in accordance with the primary objective of the CDBG program (i.e., the development of viable urban communities, by providing decent housing and expanding economic opportunities, primarily for persons of low and moderate income) and requirements of 24 CFR Parts 91 and 570.

Following a Plan -- It is following a current consolidated plan that has been approved by HUD.

Use of Funds -- It has complied with the following criteria:

1. Maximum Feasible Priority. With respect to activities expected to be assisted with CDBG funds, it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low- and moderate-income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include CDBG-assisted activities which the grantee certifies are designed to meet other community development needs having particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available (see Optional CDBG Certification).
2. Overall Benefit. The aggregate use of CDBG funds, including Section 108 guaranteed loans, during program year(s) 2022, 2023 [a period specified by the grantee of one, two, or three specific consecutive program years], shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period.
3. Special Assessments. It will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108 loan guaranteed funds, by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements.

However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

In addition, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

Excessive Force -- It has adopted and is enforcing:

1. A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and
2. A policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction.

Compliance with Anti-discrimination laws -- The grant will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d) and the Fair Housing Act (42 U.S.C. 3601-3619) and implementing regulations.

Lead-Based Paint -- Its activities concerning lead-based paint will comply with the requirements of 24 CFR Part 35, Subparts A, B, J, K and R.

Compliance with Laws -- It will comply with applicable laws.

Emergency Solutions Grants Certifications

The Emergency Solutions Grants Program recipient certifies that:

Major rehabilitation/conversion/renovation – If an emergency shelter’s rehabilitation costs exceed 75 percent of the value of the building before rehabilitation, the recipient will maintain the building as a shelter for homeless individuals and families for a minimum of 10 years after the date the building is first occupied by a homeless individual or family after the completed rehabilitation.

If the cost to convert a building into an emergency shelter exceeds 75 percent of the value of the building after conversion, the recipient will maintain the building as a shelter for homeless individuals and families for a minimum of 10 years after the date the building is first occupied by a homeless individual or family after the completed conversion.

In all other cases where ESG funds are used for renovation, the recipient will maintain the building as a shelter for homeless individuals and families for a minimum of 3 years after the date the building is first occupied by a homeless individual or family after the completed renovation.

Essential Services and Operating Costs – In the case of assistance involving shelter operations or essential services related to street outreach or emergency shelter, the recipient will provide services or shelter to homeless individuals and families for the period during which the ESG assistance is provided, without regard to a particular site or structure, so long the recipient serves the same type of persons (e.g., families with children, unaccompanied youth, disabled individuals, or victims of domestic violence) or persons in the same geographic area.

Renovation – Any renovation carried out with ESG assistance shall be sufficient to ensure that the building involved is safe and sanitary.

Supportive Services – The recipient will assist homeless individuals in obtaining permanent housing, appropriate supportive services (including medical and mental health treatment, victim services, counseling, supervision, and other services essential for achieving independent living), and other Federal State, local, and private assistance available for these individuals.

Matching Funds – The recipient will obtain matching amounts required under 24 CFR 576.201.

Confidentiality – The recipient has established and is implementing procedures to ensure the confidentiality of records pertaining to any individual provided family violence prevention or treatment services under any project assisted under the ESG program, including protection against the release of the address or location of any family violence shelter project, except with the written authorization of the person responsible for the operation of that shelter.

Homeless Persons Involvement – To the maximum extent practicable, the recipient will involve, through employment, volunteer services, or otherwise, homeless individuals and

families in constructing, renovating, maintaining, and operating facilities assisted under the ESG program, in providing services assisted under the ESG program, and in providing services for occupants of facilities assisted under the program.

Consolidated Plan – All activities the recipient undertakes with assistance under ESG are consistent with its consolidated plan.

Discharge Policy – The recipient will establish and implement, to the maximum extent practicable and where appropriate, policies and protocols for the discharge of persons from publicly funded institutions or systems of care (such as health care facilities, mental health facilities, foster care or other youth facilities, or correction programs and institutions) in order to prevent this discharge from immediately resulting in homelessness for these persons.

**Resolution Authorizing Submission
of the 2023 CDBG Action Plan**

RESOLUTION NO. _____

A RESOLUTION OF THE CITY OF SALISBURY, MARYLAND TO APPROVE THE CITY’S ACTION PLAN FOR COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) FUNDS FOR CDBG PROGRAM YEAR 2023.

WHEREAS, the Maryland State Office of the U.S. Department of Housing & Urban Development (HUD) has determined that the City of Salisbury qualifies as an “entitlement community;” and

WHEREAS, the City of Salisbury is, therefore, entitled to receive Community Development Block Grant (CDBG) funds directly from HUD upon HUD’s approval of the City’s annual Action Plan; and

WHEREAS, the Council of the City of Salisbury wishes the City to receive this annual allotment of CDBG funds from HUD so that various community development projects may be completed.

NOW, THEREFORE, BE IT RESOLVED, that the Council of the City of Salisbury, Maryland does hereby authorize the Mayor to submit the 2023 CDBG Action Plan to HUD for review and approval.

THE ABOVE RESOLUTION was introduced and duly passed at a meeting of the Council of the City of Salisbury, Maryland held on _____, 2023, and is to become effective immediately.

ATTEST:

Kimberly R. Nichols
CITY CLERK

Muir W. Boda
PRESIDENT, City Council

APPROVED BY ME THIS _____ day of _____, 2023.

John R. Heath
Acting Mayor
