**DEPARTMENT OF HOUSING AND COMMUNITY DEVELOPMENT
OFFICE OF STATEWIDE BROADBAND
MARYLAND DIGITAL INCLUSION GRANT AGREEMENT**

THIS MARYLAND DIGITAL INCLUSION GRANT (“DIG”) GRANT AGREEMENT (“Agreement”) is entered into as of the Effective Date (as defined herein) by and between the DEPARTMENT OF HOUSING AND COMMUNITY DEVELOPMENT (“**the Department**”), a principal department of the State of Maryland (“**State**”) and CITY OF SALISBURY (“**the Grantee**”). The Department and the Grantee are each a “**Party**” and may collectively be referred to as “**the Parties**”.

RECITALS

- A. This Agreement is issued pursuant to the State’s appropriation in FY22 of funding received from the United States Department of the Treasury’s Coronavirus State Fiscal Recovery Fund created by Section 9901 of the American Rescue Plan Act (“**the Act**”), to the Office of Statewide Broadband (“**the Office**”). This federal funding is the sole source of funds for the Maryland Digital Inclusion Grant Program (“**the Program**”), and this funding is subject to all applicable rules, regulations, and guidance issued by the Treasury related thereto (“**the Regulations**”).
- B. With increased reliance by many municipalities and employers on telework, virtual court hearings, remote learning, and so on, the public health emergency which has been ongoing in the State since March 5, 2020 (“**the Covid-19 Emergency**”) has made clear that much of the modern world depends on access to reliable high speed internet, and knowledge of how to effectively use it. However, there exist unserved and underserved communities across the State, such as rural and low-income populations, where businesses and households have limited access to reliable broadband internet, computing technology, or training in how to utilize it. Such businesses and individuals have been disproportionately impacted by the Covid-19 Emergency and are at risk of being further left behind by this deficit.
- C. The Office of Statewide Broadband had developed the Digital Inclusion Grant Program (“**the Program**”). The purpose of the Program is to:
1. Address the deficit of broadband resources available to rural populations, low-income populations, and other unserved and underserved populations in the State; and
 2. Distribute DIG funding, in the form of grants, to local jurisdictions, non-profit corporations, and community based anchor institutions. These eligible grantees are authorized to use the DIG funding for costs consistent with the terms and conditions of the source of funds, which are costs directly related to supporting digital inclusion planning and programming, which will facilitate the use of broadband by underserved populations, as well as provide educational and employment opportunities for those populations, which have been disproportionately impacted by the Covid-19 Emergency.
- D. Grantee has submitted an application (“**the Application**”) or a plan (“**the Plan**”) to the Department, attached hereto as **Exhibit A**. The Application or Plan, as applicable, describes certain activities which are eligible for funding under the Program.
- E. In reliance upon the statements, representations and certifications contained in the Application or Plan, as applicable, the Department has approved a grant award to Grantee.
- F. The provisions of the Act, the Regulations, and the Department’s Request for Applications dated February 9, 2022 (“**RFA**”), are hereby incorporated into this Agreement as if fully restated herein.

AGREEMENT

IN CONSIDERATION of the Recitals, the mutual promises and covenants contained in this Agreement, and other good and valuable consideration, the receipt, adequacy, and sufficiency of which are hereby acknowledged, the Department and Grantee agree as follows:

- b) Grantee shall use the Grant to carry out only the approved activities described in the attached Exhibit A (the “**Project**”). Grantee certifies its activities are eligible activities as set forth in the Act.
- c) Grantee acknowledges that funds provided by the Department under this Agreement shall not be used for broadband infrastructure construction, nor for charges not associated with direct purchase of the eligible equipment and services; separate costs for non-connected accessories (e.g., cases, mouse pads, cable clips, laptop bags, tablet stands, wall mounts, charging stations); mobile phones, including smartphones; nor technical support, maintenance costs, or separate costs for warranties and protection plans.
- d) If Grantee’s Project provides for Digital Inclusion Planning and Programming, Grantee acknowledges and certifies that these Grant funds will not reimburse more than fifty (50%) of identified Digital Inclusion Planning costs.

No asset purchased with these grant funds may be sold or given away without the express written permission of the Department.
- b) All Grant funds will be provided on a reimbursement basis only, and provided directly to the Grantee.
- c) To be eligible for reimbursement, invoices must be submitted to the Department within thirty (30) days of payment of the invoice by the Grantee. Any exceptions to this requirement is at the sole discretion of the Department and must be confirmed in writing by the Office of Statewide Broadband.
- d) All Grant funds made available under this Agreement must be expended by December 31, 2023.
- e) Invoices must be submitted no later than December 15, 2023, and shall identify in detail all expenses incurred for which reimbursement is being sought. Where a final, or consolidated, invoice is submitted, it shall have attached copies of all the underlying supporting invoices and other documentation of such expenses.
- f) The Department shall have the right at any time to request that Grantee provide additional supporting documentation with any request for reimbursement.

 - i. Grantee has failed to supply a material fact in a request for disbursement;
 - ii. Grantee's disbursement request, when combined with all prior disbursement requests, exceeds the total amount of the Grant;

- iii. Grantee has used any portion of the Grant for uses or activities other than the Project, or in a manner inconsistent with the terms and conditions of this Agreement, the Act, the Regulations, and the RFA; or
- iv. Grantee is in default under any other term or condition contained in this Agreement.

- ii) Grantee shall make the Grantee's administrative offices, its personnel, whether full-time, part-time, consultants or volunteers, and the Records available to the Department for inspection upon request, during the term of the Agreement and for a period of three (3) years following the date the Department approves final disbursement of grant funds. All financial and programmatic records of the Grantee related to the Grant shall be available for inspection by authorized personnel of the Department and agents of the federal government. The Final Report shall also contain an expense and revenue summary of the Project including the number of homes and businesses that gained access to broadband facilities, any problems encountered in completing the Project, and such other information as the Department requires. In addition, any completed studies, surveys, reports, or other work products, if applicable, shall be attached to the Final Report. Such a change in the budget line items may be approved in writing by the Digital Equity Programs Manager and will not require a formal amendment to this Agreement, so long as the amount of the Grant does not change.
