STANDARD NOTES

- *Water and sewer capacity exists and will be reserved for this subdivision; subject to Municipal, State and Federal laws and regulations.*
- *Private irrigation lines shall not be installed in City right-of-ways or easements without written approval of Salisbury Department of Infrastructure & Development.*
- *Owner/Developer, and subsequent Owners, their successors and assigns, shall not modify the individual lot grading plans and/or the Improvements Construction Plan, as approved by the Salisbury Department of Infrastructure & Development, with construction, grading, or landscaping.*
- *No construction of any structural improvements, plant trees, shrubs or place any landscaping other than grass in or on the easement area, including in the air rights over the easement hereby conveyed permitted, without the prior written consent of the City of Salisbury.*
- *All non-City utilities, such as but not limited to, electric, telephone, gas and C.A.T.V. shall be installed outside the City of Salisbury Utility Easement unless written consent is obtained from the City of Salisbury*
- *City Code Section 13.28.060 Item B.6: If a stormwater management plan involves direction of some or all runoff off the site, it is the responsibility of the developer to obtain from adjacent property owners any easements or other necessary property interests concerning flowage of water. Approval of a stormwater management plan does not create or affect any right to direct runoff onto adjacent property without that property owner's permission.*

APPROVAL & CERTIFICATION BLOCKS
